Introduction

This document includes scripts and instructions for administering the Fall 2020 Florida Statewide Assessments English Language Arts (ELA) Writing Retake, ELA Reading Retake, and Fall/Winter 2020 End-of-Course (EOC) assessments to students who require accommodated paper-based tests (regular print, large print, one-item-per-page). Test administrators (TAs) are responsible for reading the Test Administration Policies and Procedures, Test Security Policies and Procedures, Test Invalidation Policies and Procedures sections, the Test Administrator Responsibilities sections, and the appropriate appendices of the Fall/Winter 2020 Florida Statewide Assessments English Language Arts Retake and End-of-Course Assessments Test Administration Manual (Fall/Winter 2020 ELA Retake and EOC Manual). Test administrators are also responsible for reading the 2020–2021 Statewide Assessments Accommodations Guide.

Test administrators who are administering assessments to students using large print or one-item-per-page accommodations must refer to the appropriate Test Administrator Instructions in this document for each special document type. Scripts and instructions for administering braille accommodations are included with braille test materials and are available on the Florida Statewide Assessments Portal. Scripts and instructions for administering computer-based accommodations (e.g., masking, text-to-speech, closed captioning) are available on the portal (www.FSAssessments.org).
Scripts for Administering the Accommodated Paper-Based ELA Retake

Refer to the table below for script locations and session lengths.

**ELA Writing Retake**

The ELA Writing Retake is administered in one session. For the ELA Writing Retake, any student who has not completed the session by the end of the allotted time may continue working; however, each session may last no longer than half the length of a typical school day.

**ELA Reading Retake**

The ELA Reading Retake is administered in two sessions over two days. The two sessions of ELA Reading Retake may be administered in one day, but this option should be reserved for special circumstances only in consultation with the district assessment coordinator. For ELA Reading Retake sessions, any student who has not completed the session by the end of the allotted time may continue working; however, each session may last no longer than half the length of a typical school day.

Script for Administering the Accommodated Paper-Based ELA Writing Retake

120+ Minutes

This script should be used to administer the ELA Writing Retake to students using a regular print, large print, or one-item-per-page paper-based accommodation.

When testing students who are allowed certain administration accommodations (e.g., extended time, use of translation dictionary), you must modify this script with the specific instructions that students are to follow. It is important that you review the script before testing begins to determine the necessary modifications.

If you are administering the test to students using a large print accommodation, use this script along with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script along with the instructions on pages 82–85.

This test is 120 minutes, and students will take a short stretch break after 60 minutes of testing. Students who need additional time after 120 minutes may continue working up to half of a typical school day. Ensure that you have the correct stopping time for students who use additional time, and display the stopping time as instructed in the script.

During this test, remember the following:

- Ensure that you have a Security Log and a seating chart, and collect required administration information for your room. Remember to maintain these documents during testing.
- If a student starts a test and leaves campus without finishing (e.g., for lunch, an appointment, illness), he or she will not be allowed to return to the test. If you have concerns that a student will be unable to finish the test, you should not allow the student to begin. Instead, contact the school assessment coordinator for instructions.
- Provide individual student restroom breaks as needed, and maintain the security of the test during breaks. Only one student may leave the room at a time. The student should close his or her test and answer book and should not discuss or exchange information about the test with anyone during breaks. Students must not be given access to electronic devices (e.g., cell phones, smartphones, tablets, smartwatches) during breaks. If a student accesses his or her electronic device(s) during a break, that student’s test must be invalidated.
- During a break, you may reread portions of this script to students as reminders (e.g., check your work, testing rules).
- If a disruption occurs during testing, note the time of the disruption in order to provide students the appropriate amount of remaining time once testing resumes.
- When reading the following script, please note that optional words are italicized and in parentheses.
- Be familiar with the prohibited activities listed on the Test Administrator Prohibited Activities Agreement that you signed.
Before Reading This Script

1. Before students arrive, ensure that the testing room is prepared as described on page 28 of the Fall/Winter 2020 ELA Retake and EOC Manual and that you have all test materials needed for this test.

2. Display the district name, school name, today’s date, and the four-digit test group code assigned by your school assessment coordinator.

3. Ensure that the Electronic Devices sign is visible to all students and that the Do Not Disturb sign is posted at each entrance to the testing room. (Signs are available in Appendix E of the Fall/Winter 2020 ELA Retake and EOC Manual.)

4. Ensure that all student desktops are free of any unauthorized aids (e.g., word lists, dictionaries) and that any visual aids displayed in the testing room, such as posters with writing tips, have been removed or covered.

5. Ensure that you understand your school assessment coordinator’s instructions regarding the length of time students should be permitted to test. Display the stopping time where it is visible to all students. Contact your school assessment coordinator if you have not already received timing information for this test.

6. Ensure that each student has a No. 2 pencil.

7. Provide each student with a planning sheet. Ensure that you have a copy of the sample planning sheet (available on the portal) to display for students when instructed in the script.

SAY

Today, you are going to take the ELA Writing Retake. Remove all materials from your desk except your No. 2 pencil and your planning sheet.

You may not have any electronic or recording devices at your desk, in your pockets, or anywhere you can reach them at any time during this test, even if they are turned off or you do not use them. Electronic and recording devices include but are not limited to cell phones, smartphones, tablets, smartwatches, cameras, and any device capable of listening, recording, storing, viewing, or playing back audio or visual content. If you are found with any electronic or recording devices at any time during this test, including breaks, your test will not be scored. If you have any devices with you right now, please turn them off and raise your hand.

If a student raises his or her hand, follow your school’s procedures regarding electronic devices. At this time, silence your own electronic device(s).

SAY

You will have 120 minutes to complete this test, and we will take a short stretch break after 60 minutes. After 120 minutes, you will be permitted to continue working if you need additional time.

Distribute the ELA Writing Retake test and answer books.

Contact your school assessment coordinator if you have preidentified books that do not belong to students in your testing room or if you need additional test and answer books. Update your required administration information as necessary.
After distributing test and answer books,

<table>
<thead>
<tr>
<th>SAY</th>
<th>The only things on your desk should be your No. 2 pencil, your planning sheet, and your ELA Writing Retake test and answer book. Do not open your book. Look at the label in the lower left corner of your book. Check to make sure that your name and date of birth are on the label. If you see any problems, raise your hand.</th>
</tr>
</thead>
</table>

If a student has an incorrect label affixed to his or her book, contact your school assessment coordinator.

<table>
<thead>
<tr>
<th>SAY</th>
<th>Now, look at the box in the upper left corner of your test and answer book. Print your first and last names next to Student Name. Print your date of birth next to Date of Birth. Print _________________________ (name of the school) next to School Name. Print _________________________ (name of the district) next to District Name. Print _________________________ (today’s date) next to Today’s Date.</th>
</tr>
</thead>
</table>

The fields in the upper left corner of the test and answer book must be completed by each student even when a student PreID label is affixed.

Once students have completed this information,

<table>
<thead>
<tr>
<th>SAY</th>
<th>Now, look at the box labeled Test Group Code. Write the test group code ______ in the boxes, and grid the corresponding bubbles.</th>
</tr>
</thead>
</table>

Wait until students have finished.

<table>
<thead>
<tr>
<th>SAY</th>
<th>Your test and answer book has one plastic tab. Find the plastic tab on the right side of your book. Carefully pull the tab out and down. Do not remove any remaining pieces of the tab. Make sure that all students pull the tab. If a student tears his or her book, contact your school assessment coordinator.</th>
</tr>
</thead>
</table>

Pause while students check the page numbers. If no defective books are found, continue to the next SAY box. If a defective book is found, contact your school assessment coordinator to obtain a replacement, and add the new security number to your required administration information.

Do not remove the student PreID label from the defective book. Direct the student to write his or her name, date of birth, school name, district name, and today’s date in the box in the upper left corner on the front cover of the replacement book, and notify your school assessment coordinator so that a new PreID label is printed and applied to the test and answer book. Set the defective book aside, grid the DNS bubble, and return it with all other NOT TO BE SCORED materials.

Now, hold up a sample planning sheet with the lined side facing the students.
Now, look at your planning sheet. Print your name in the upper right corner. You may use the front and back of this planning sheet to jot down ideas, plan, and organize (prewrite, cluster, map, or web) what you will write. It is important to use the planning sheet to plan what you will write, but make sure that you allow enough time to complete your response in your test and answer book. The writing on your planning sheet will not be scored. Only the response you write in your test and answer book will be scored.

Now, open your test and answer book again to page 2 and look at the Testing Rules Acknowledgment. Please listen as I read the testing rules. During this test, you must not:

- talk to other students or make any disturbance
- look at another student’s test and answer book or planning sheet
- allow another student to look at your test and answer book or planning sheet
- ask for help writing your response
- give help to another student in writing his or her response
- have notes or scratch paper other than your planning sheet
- have any electronic or recording devices in your possession at any time, including breaks, even if you do not use them
- fail to follow any other instructions given

Because the content in all statewide assessments is secure, you may not discuss or reveal details about the passages or prompt after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites.

Are there any questions?

Answer all questions.

Now, read silently as I read the Testing Rules Acknowledgment out loud.

I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.

Now, sign your name on the line next to Signature in your test and answer book to indicate that you understand the testing rules.

Pause while students sign their names. If a student does not sign his or her name, contact your school assessment coordinator.

Now, turn to the lined pages in your test and answer book. You have three lined pages to write your response, and you may not write outside of the boxes or ask for extra paper. Only the response you write on these pages will be scored.

Read each passage carefully and respond completely to the writing prompt. Remember that your writing should show that you can organize and express your thoughts clearly and that you have responded completely to the writing prompt.

You are required to write your response in English. Responses written in languages other than English will not be scored.

You may not use a dictionary. If you aren’t sure how to spell a word, spell it the best way you can.
Manage your time carefully so that you can read the passages, plan your response, write your response, and revise and edit your response.

If you finish the test before time is called, go back and check *proofread* your work and make corrections to improve your writing.

Please raise your hand if you have any questions.

Answer all questions.

You have 120 minutes to complete this test, and we will take a short stretch break after 60 minutes. After 120 minutes, you will be permitted to continue working if you need additional time. I will remind you when there are 10 minutes left in the test.

Now, turn to page 4 in your test and answer book and begin working.

Complete the following:

- **STARTING time:**
- Add 60 minutes: **+60 minutes**
- Time to call a break: **______**
- TIME TESTING RESUMES: **______**
- Add 50 minutes: **+50 minutes**
- Time for 10-minute reminder: **______**
- Add 10 minutes: **+10 minutes**
- **STOPPING time:** **______**

Display the STARTING and STOPPING times for students.

Although it is your responsibility to ensure that students are working independently, you are prohibited from reading test content and planning sheets before, during, and after the test.

Do not use cell phones, classroom phones, computers, or other devices (except to contact your school assessment coordinator in an emergency). Do not check email, grade papers, etc. Your full attention should be on students **at all times**.

After 60 minutes from the STARTING time,

- **SAY** Stop. Put your pencil down and close your test and answer book. Place your planning sheet under your test and answer book. You may stand and stretch, but do not talk.

After a short break,

- **SAY** Now, be seated. You still have 60 minutes to complete the test, and I will let you know when there are 10 minutes left. As a reminder, the writing on your planning sheet will not be scored. Only the response in your test and answer book will be scored.

Make sure you are on the page where you left off. You may now continue working.
Script for Administering the Accommodated Paper-Based ELA Writing Retake

After 50 minutes,

**SAY** There are 10 minutes left in this test. Remember to check *(proofread)* your work and make corrections to improve your writing.

After 10 more minutes,

**SAY** Stop. Put your pencil down and close your test and answer book. Place your planning sheet under your test and answer book. Raise your hand if you would like additional time to work. Please sit quietly and do not continue working at this time.

If you have finished working, I will collect your test and answer book and planning sheet now.

Collect test materials.

Based on instructions from your school assessment coordinator, either dismiss students who have finished, or move students who require additional time to an alternate testing location. If students are moved to a new location, create a new seating chart for that location, and ensure that students using extra time are allowed the correct amount of time to complete the test. **Students may work for a total of half of a typical school day.**

Display the new stopping time for students. Once students are ready to continue working,

**SAY** Now, we will continue testing. You have until ___ to continue working, and I will let you know when there are 10 minutes left.

Now, open your test and answer book and continue working.

At 10 minutes before the stopping time,

**SAY** You have 10 minutes to finish the test. Remember to check *(proofread)* your work and make corrections to improve your writing.

After 10 more minutes,

**SAY** Stop. Put your pencil down and close your test and answer book. Place your planning sheet under your test and answer book. Do not place your planning sheet inside your test and answer book.

Collect test materials.

Complete the following steps:

1. Make sure that each student returns his or her test and answer book and planning sheet, and indicate on your required administration information that each book is returned. Also make sure that your testing room seating chart is accurate and complete.

2. Keep planning sheets in a separate stack and, if necessary, remove any stray planning sheets from test and answer books.

3. Report any missing materials and/or test irregularities or security breaches to your school assessment coordinator immediately.

4. Ensure that the box at the upper left corner of the front cover has been completed by each student and that the information on the PreID label is accurate and complete.
5. Record the accommodations provided to students and the accommodations used by students on your required administration information. Use the following accommodations codes to record this information:

For ESE/504 students:
- 1-FP = Flexible Presentation
- 1-FR = Flexible Responding
- 1-FSC = Flexible Scheduling
- 1-FSE = Flexible Setting
- 1-AD = Assistive Devices

For ELL or recently exited ELL students:
- 2-FSC = Flexible Scheduling
- 2-FSE = Flexible Setting
- 2-AHL = Assistance in Heritage Language
- 2-ADI = Approved Dictionary

6. If a student provides a typed response, see the Directions for Returning Typed ELA Writing Responses on pages 96–97.

7. Return all materials to your school assessment coordinator as described on page 133 of the Fall/Winter 2020 ELA Retake and EOC Manual.

Session 1

90+ Minutes

The following script should be used for students participating in Session 1 of the ELA Reading Retake using a regular print, large print, or one-item-per-page paper-based accommodation.

When testing students who are allowed certain administration accommodations (e.g., extended time, use of translation dictionary), you must modify this script with the specific instructions that students are to follow. It is important that you review the script before testing begins to determine the necessary modifications.

If you are administering the test to students using a large print accommodation, use this script along with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script along with the instructions on pages 82–85.

This test session is 90 minutes, and students will take a short stretch break after 45 minutes of testing. Students who need additional time after 90 minutes may continue working up to half of a typical school day. Ensure that you have the correct stopping time for students who use additional time, and display the stopping time as instructed in the script.

During this test session, remember the following:

- Ensure that you have a Security Log and a seating chart, and collect required administration information for your room. Remember to maintain these documents during testing.
- If a student starts a test session and leaves campus without finishing (e.g., for lunch, an appointment, illness), he or she will not be allowed to return to that session. If you have concerns that a student will be unable to finish the session, you should not allow the student to begin. Instead, contact the school assessment coordinator for instructions.
- Provide individual student restroom breaks as needed, and maintain the security of the test during breaks. Only one student may leave the room at a time. The student should close his or her test and answer book and should not discuss or exchange information about the test with anyone during breaks. Students must not be given access to electronic devices (e.g., cell phones, smartphones, tablets, smartwatches) during breaks. If a student accesses his or her electronic device(s) during a break, that student’s test must be invalidated.
- During a break, you may reread portions of this script to students as reminders (e.g., check your work, testing rules).
- If a disruption occurs during testing, note the time of the disruption in order to provide students the appropriate amount of remaining time once testing resumes.
- Be familiar with the prohibited activities listed on the Test Administrator Prohibited Activities Agreement that you signed.
Accessing Listening Items

During the accommodated paper-based ELA Reading assessment, students are required to have access to audio content to complete some of the test items. These items are accompanied by directions that instruct students to raise their hands to ask you to provide them with access to the audio clips or American Sign Language (ASL) videos. Prior to testing, you must:

- Have a computer or device, with Internet access, to access the Assessment Viewing Application (AVA) on the Florida Statewide Assessments Portal.
- Have the correct information (i.e., username, password) to log in to AVA.
- Familiarize yourself with the AVA User Guide, located on the portal.
- Understand any other administration information based on instructions from your school assessment coordinator (e.g., each student will use headphones/earbuds and have the content delivered individually).

If you have questions about accessing AVA for students or do not have your AVA login information, contact your school assessment coordinator.

Electronic and recording devices include but are not limited to cell phones, smartphones, tablets, smartwatches, cameras, and any device capable of listening, recording, storing, viewing, or playing back audio or visual content. If you are found with any electronic or recording devices at any time during this test session, including breaks, your test will not be scored. **After distributing test and answer books,**

**SAY** The only things on your desk should be your No. 2 pencil and your ELA Reading Retake test and answer book. Do not open your book.

Look at the label in the lower left corner of your book. Check to make sure that your name and date of birth are on the label. If you see any problems, raise your hand.

The fields in the upper left corner of the test and answer book must be completed by each student even when a student PreID label is affixed.

Once students have completed this information,

**SAY** Now, look at the box labeled **Session 1 Test Group Code**. Write the test group code ______ in the boxes, and grid the corresponding bubbles.

Wait until students have finished.

**SAY** Your test and answer book has two plastic tabs. Find the first plastic tab on the right side of your book. Carefully pull the tab out and down. Do not remove any remaining pieces of the tab. Do not pull the second plastic tab.

Make sure that all students pull the correct tab. If a student tears his or her book or removes the second plastic tab, contact your school assessment coordinator.

Check the pages in Session 1 until you reach the STOP sign to see that all page numbers are in order and that there aren’t any missing or upside-down pages. Do not read any of the items or passages before the test begins.
SAY
If you see any problems, raise your hand. *(Pause while students check the page numbers.)*

When you come to this STOP sign during the test, you have finished Session 1. Do **not** go on to Session 2. If you complete Session 1 before time is called, go back and check your work.

**If no defective books are found, continue to the next SAY box.** If a defective book is found, contact your school assessment coordinator to obtain a replacement, and add the new security number to your required administration information.

Display the STARTING and STOPPING times for students.

Although it is your responsibility to ensure that students are working independently, you are prohibited from reading test content before, during, and after the test.

Do not use cell phones, classroom phones, computers, or other devices (except to contact your school assessment coordinator in an emergency). Do not check email, grade papers, etc. Your full attention should be on students at all times.

After 45 minutes from the STARTING time,

SAY  Stop. Put your pencil down and close your test and answer book. You may stand and stretch, but do not talk.

After a short break,

SAY  Now, be seated. You still have 45 minutes to complete this session, and I will let you know when there are 10 minutes left. When you come to the STOP sign, you have finished Session 1. You may not go on to Session 2. Remember, if you finish early, go back and check your work.

Make sure you are on the page where you left off. You may now continue working.
After 35 minutes,

| SAY | There are 10 minutes left in the 90-minute test session. Remember, do not go on to Session 2. |

After 10 more minutes,

| SAY | Stop. Put your pencil down and close your test and answer book. Raise your hand if you would like additional time to work. Please sit quietly and do not continue working at this time. If you have finished working, I will collect your test and answer book now. |

Collect test materials.

Based on instructions from your school assessment coordinator, either dismiss students who have finished, or move students who require additional time to an alternate testing location. If students are moved to a new location, create a new seating chart for that location, and ensure that students using extra time are allowed the correct amount of time to complete the test. **Students may work for a total of half of a typical school day.**

Display the new stopping time for students. Once students are ready to continue working,

| SAY | Now, we will continue testing. You have until ____ to continue working, and I will let you know when there are 10 minutes left. Now, open your test and answer book and continue working. |

At 10 minutes before the stopping time,

After 10 more minutes,

| SAY | Stop. Put your pencil down and close your test and answer book. |

Collect test materials.

Complete the following steps:

1. Make sure that each student returns his or her test and answer book, and indicate on your required administration information that each book is returned. Also make sure that your testing room seating chart is accurate and complete.

2. Report any missing materials and/or test irregularities or security breaches to your school assessment coordinator immediately.

3. Record the accommodations provided to students and the accommodations used by students on your required administration information. Use the following accommodations codes to record this information:

   **For ESE/504 students:**
   - 1-FP = Flexible Presentation
   - 1-FR = Flexible Responding
   - 1-FSC = Flexible Scheduling
   - 1-FSE = Flexible Setting

   **For ELL or recently exited ELL students:**
   - 2-FSC = Flexible Scheduling
   - 2-FSE = Flexible Setting
   - 2-AHL = Assistance in Heritage Language
   - 2-ADI = Approved Dictionary

4. Return all materials to your school assessment coordinator until the beginning of Session 2.
Script for Administering the Accommodated Paper-Based ELA Reading Retake

Session 2

90+ Minutes

The following script should be used for students participating in Session 2 of the ELA Reading Retake using a regular print, large print, or one-item-per-page paper-based accommodation.

When testing students who are allowed certain administration accommodations (e.g., extended time, use of translation dictionary), you must modify this script with the specific instructions that students are to follow. It is important that you review the script before testing begins to determine the necessary modifications.

If you are administering the test to students using a large print accommodation, use this script along with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script along with the instructions on pages 82–85.

This test session is 90 minutes, and students will take a short stretch break after 45 minutes of testing. Students who need additional time after 90 minutes may continue working up to half of a typical school day. Ensure that you have the correct stopping time for students who use additional time, and display the stopping time as instructed in the script.

During this test session, remember the following:

- Ensure that you have a Security Log and a seating chart, and collect required administration information for your room. Remember to maintain these documents during testing.
- Ensure that all students in your testing room have completed Session 1. If any students have not completed Session 1, contact your school assessment coordinator.
- If a student starts a test session and leaves campus without finishing (e.g., for lunch, an appointment, illness), he or she will not be allowed to return to that session. If you have concerns that a student will be unable to finish the session, you should not allow the student to begin. Instead, contact the school assessment coordinator for instructions.
- Provide individual student restroom breaks as needed, and maintain the security of the test during breaks. Only one student may leave the room at a time. The student should close his or her test and answer book and should not discuss or exchange information about the test with anyone during breaks. Students must not be given access to electronic devices (e.g., cell phones, smartphones, tablets, smartwatches) during breaks. If a student accesses his or her electronic device(s) during a break, that student’s test must be invalidated.
- During a break, you may reread portions of this script to students as reminders (e.g., check your work, testing rules).
- If a disruption occurs during testing, note the time of the disruption in order to provide students the appropriate amount of remaining time once testing resumes.
- Be familiar with the prohibited activities listed on the Test Administrator Prohibited Activities Agreement that you signed.
Accessing Listening Items

During the accommodated paper-based ELA Reading assessment, students are required to have access to audio content to complete some of the test items. These items are accompanied by directions that instruct students to raise their hands to ask you to provide them with access to the audio clips or American Sign Language (ASL) videos. Prior to testing, you must:

- Have a computer or device, with Internet access, to access the Assessment Viewing Application (AVA) on the Florida Statewide Assessments Portal.
- Have the correct information (i.e., username, password) to log in to AVA.
- Familiarize yourself with the AVA User Guide, located on the portal.
- Understand any other administration information based on instructions from your school assessment coordinator (e.g., each student will use headphones/earbuds and have the content delivered individually).

If you have questions about accessing AVA for students or do not have your AVA login information, contact your school assessment coordinator.

Before Reading This Script

1. Before students arrive, ensure that the testing room is prepared as described on page 28 of the Fall/Winter 2020 ELA Retake and EOC Manual and that you have all test materials needed for this test session.
2. Display the four-digit test group code assigned by your school assessment coordinator.
3. Ensure that the Electronic Devices sign and Session 2 sign are visible to all students and that the Do Not Disturb sign is posted at each entrance to the testing room. (Signs are available in Appendix E of the Fall/Winter 2020 ELA Retake and EOC Manual.)
4. Ensure that all student desktops are free of any unauthorized aids (e.g., word lists, dictionaries) and that any visual aids displayed in the testing room have been removed or covered.
5. Ensure that you understand your school assessment coordinator’s instructions regarding the length of time students should be permitted to test for this session. Display the stopping time for this session where it is visible to all students. Contact your school assessment coordinator if you have not already received timing information for Session 2.
6. Ensure that each student has a No. 2 pencil.

SAY Today, you are going to take Session 2 of the ELA Reading Retake. If you have not taken Session 1 of the ELA Reading Retake assessment, please raise your hand.

If a student raises his or her hand, contact your school assessment coordinator.

SAY Remove all materials from your desk except a No. 2 pencil.
You may not have any electronic or recording devices at your desk, in your pockets, or anywhere you can reach them at any time during this test session, even if they are turned off or you do not use them. Electronic and recording devices include but are not limited to cell phones, smartphones, tablets, smartwatches, cameras, and any device capable of listening, recording, storing, viewing, or playing back audio or visual content. **If you are found with any electronic or recording devices at any time during this test session, including breaks, your test will not be scored.** If you have any devices with you right now, please turn them off and raise your hand.

If a student raises his or her hand, follow your school’s procedures regarding electronic devices. At this time, silence your own electronic device(s).

You will have 90 minutes to complete this test session, and we will take a short stretch break after 45 minutes. After 90 minutes, you will be permitted to continue working if you need additional time.

Distribute the ELA Reading Retake test and answer books. Each student should receive the test and answer book with his or her name on it.

Contact your school assessment coordinator if you have books that do not belong to students in your testing room or if any books are missing.

Your No. 2 pencil and your ELA Reading Retake test and answer book should be the only things on your desk. Make sure you have the test and answer book with your name on it. You may not return to or change any answers from Session 1.

Now, look at the box labeled **Session 2 Test Group Code**. Write the test group code ______ in the boxes, and grid the corresponding bubbles. (Pause.)

Find the remaining plastic tab sealing Session 2 of your book. Carefully pull the tab out and down. Do not remove any remaining pieces of the tab.

Make sure that all students pull the tabs correctly. If a student tears his or her book, obtain a replacement book with the same form number from your school assessment coordinator and record the new security number with your required administration information. The student’s responses from Session 1 will need to be transcribed into the new test and answer book.

Next, open your test and answer book to the beginning of Session 2. The session number is at the top of each page that follows. Today, you may work only in Session 2. Check each page through the end of the book to see that all page numbers are in order and that there aren’t any missing or upside-down pages. Do not read any of the items or passages before the test begins.

If you see any problems, raise your hand. If not, close the book and sit quietly.

Wait until all students finish. **If no defective books are found, continue to the next SAY box.** If a defective book is found, contact your school assessment coordinator to obtain a replacement with the same form number, and add the new security number to your required administration information.

Do not remove the student PreID label from the defective book. Direct the student to write his or her name, date of birth, school name, district name, and today’s date in the box in the upper left corner on the front cover of the replacement book, and notify your school assessment coordinator. The student’s responses from Session 1 will need to be transcribed into the new test and answer book, and a PreID label will need to be printed and applied.

SAY

You will have 90 minutes to complete this test session. When you come to the STOP sign, you have finished Session 2. If you complete Session 2 before time is called, go back and check your work. Do not go back and work in Session 1.

Remember the following:

- Do not work in Session 1.
- Mark your answers directly in your test and answer book.
- Read each item carefully so you will understand how to respond.
- Completely fill in the bubble or bubbles that you choose for your answer. If you change an answer, be sure to erase completely.
- When gridding a bubble or bubbles to provide your answer, only mark the bubbles you want to count as correct answers. If you draw a line or an X through an answer that you think is wrong and the mark goes into a bubble, that bubble might be counted as your answer.
- Do not circle bubbles. If you circle the bubbles instead of filling them in, your answers will not be scored.
- You may see directions to raise your hand so that I can provide you with access to an audio passage.

Try to answer every question. If you aren’t sure how to answer a question, skip it and keep going. After you have answered all the other questions, go back and answer any questions you skipped.

You may not have scratch paper, but you may underline or circle words, phrases, and sentences in the passages or test items.

If you need to leave the room at any time, raise your hand. Only one student may leave the room at a time. Close your test and answer book before you leave. While outside the testing room, you are not permitted to access any electronic devices or discuss the test with anyone.

Before taking Session 1 of this test, you signed below the Testing Rules Acknowledgment in your test and answer book to indicate that you understand the testing rules. These testing rules are also in place for Session 2 of the test. Please remember that during this test you must not:

- work in Session 1
- talk to other students or make any disturbance
- look at another student’s test and answer book
- allow another student to look at your test and answer book
- ask for help answering any test questions
- give help to another student in answering test questions
- have notes or scratch paper
- have any electronic or recording devices in your possession at any time, including breaks, even if you do not use them
- fail to follow any other instructions given

Because the content in all statewide assessments is secure, you may not discuss or reveal details about the test items or passages after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites.

Scripts for Administering Accommodated Paper-Based EOC Assessments

Refer to the table below for script locations and session lengths. FSA EOC assessments are administered in two sessions over two days. The two sessions of FSA EOC assessments may be administered in one day, but this option should be reserved for special circumstances only in consultation with the district assessment coordinator. Session 1 must be completed before Session 2. Any student who has not completed the session by the end of the allotted time may continue working; however, each session may last no longer than half of a typical school day.

For NGSSS EOC assessments, any student not finished by the end of the 160-minute test session may continue working; however, testing must be completed within the same school day.

Test Materials Needed

- No. 2 pencils
- Test and answer books
- Scientific calculators *(Session 2 only)*
- Four-function calculators *(Biology 1 EOC only)*

Your school assessment coordinator will provide you with the materials needed to administer each EOC session. Secure materials should be delivered or picked up immediately before the beginning of each test session. Verify that you have all necessary materials before testing begins. If you are administering the test to students using a large print accommodation, use this script with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script with the instructions on pages 82–85.

Ensure that any handheld calculators have only the allowable functionality, as indicated in the *Calculator and Reference Sheet Policies for Florida Statewide Assessments* document (available on the portal). **Ensure that students are only provided scientific calculators in FSA EOC Session 2.**
Script for Administering the Accommodated Paper-Based Algebra 1 EOC Assessment

Session 1

90+ Minutes

Calculators are not permitted during this test session. Do not distribute calculators until the beginning of Session 2.

The following script should be used for students participating in Session 1 of the Algebra 1 EOC assessment using a regular print, large print, or one-item-per-page paper-based accommodation.

When testing students who are allowed certain administration accommodations (e.g., extended time, use of translation dictionary), you must modify this script with the specific instructions that students are to follow. It is important that you review the script before testing begins to determine the necessary modifications.

If you are administering the test to students using a large print accommodation, use this script along with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script along with the instructions on pages 82–85. For more information about Oral Presentation accommodations, see pages 86–95.

This test session is 90 minutes, and students will take a short stretch break after 45 minutes of testing. Students who need additional time after 90 minutes may continue working up to half of a typical school day. Ensure that you have the correct stopping time for students who use additional time, and display the stopping time as instructed in the script.

During this test session, remember the following:

- Ensure that you have a Security Log and a seating chart, and collect required administration information for your room. Remember to maintain these documents during testing.
- If a student starts a test session and leaves campus without finishing (e.g., for lunch, an appointment, illness), he or she will not be allowed to return to that session. If you have concerns that a student will be unable to finish the session, you should not allow the student to begin. Instead, contact the school assessment coordinator for instructions.
- Provide individual student restroom breaks as needed, and maintain the security of the test during breaks. Only one student may leave the room at a time. The student should close his or her test and answer book and should not discuss or exchange information about the test with anyone during breaks. Students must not be given access to electronic devices (e.g., cell phones, smartphones, tablets, smartwatches) during breaks. If a student accesses his or her electronic device(s) during a break, that student’s test must be invalidated.
- During a break, you may reread portions of this script to students as reminders (e.g., check your work, testing rules).
• If a disruption occurs during testing, note the time of the disruption in order to provide students the appropriate amount of remaining time once testing resumes.
• When reading the following script, please note that optional words are italicized and in parentheses.
• Be familiar with the prohibited activities listed on the *Test Administrator Prohibited Activities Agreement* that you signed.

**Before Reading This Script**

1. Before students arrive, ensure that the testing room is prepared as described on page 28 of the Fall/Winter 2020 ELA Retake and EOC Manual and that you have all test materials needed for this test session.

2. Display the district name, school name, today’s date, and the four-digit test group code assigned by your school assessment coordinator.

3. Ensure that the Electronic Devices sign, No Calculators sign, and Session 1 sign are visible to all students and that the Do Not Disturb sign is posted at each entrance to the testing room. (Signs are available in Appendix E of the Fall/Winter 2020 ELA Retake and EOC Manual.)

4. Ensure that all student desktops are free of any unauthorized aids (e.g., charts displaying mathematical concepts) and that any visual aids displayed in the testing room have been removed or covered.

5. Ensure that you understand your school assessment coordinator’s instructions regarding the length of time students should be permitted to test for this session. Display the stopping time for this session where it is visible to all students. **Contact your school assessment coordinator if you have not already received timing information for Session 1.**

6. Prior to testing, ensure that students have the following:
   • A No. 2 pencil
   • *Algebra 1 EOC FSA Mathematics Reference Sheet* (Reference sheets are included in the test and answer books, so paper reference sheets should be provided only if your school is providing copies for all students.)

**SAY** Today, you are going to take Session 1 of the Algebra 1 EOC test. Remove all materials from your desk except a No. 2 pencil (*and your Algebra 1 EOC FSA Mathematics Reference Sheet*).

You may not have any electronic or recording devices at your desk, in your pockets, or anywhere you can reach them at any time during this test session, even if they are turned off or you do not use them. Electronic and recording devices include but are not limited to cell phones, smartphones, tablets, smartwatches, cameras, and any device capable of listening, recording, storing, viewing, or playing back audio or visual content. **If you are found with any electronic or recording devices at any time during this test session, including breaks, your test will not be scored.** If you have any devices with you right now, please turn them off and raise your hand.

If a student raises his or her hand, follow your school’s procedures regarding electronic devices. At this time, silence your own electronic device(s).

**SAY** You will have 90 minutes to complete this test session, and we will take a short stretch break after 45 minutes. After 90 minutes, you will be permitted to continue working if you need additional time.
SAY  Calculators are not allowed during this test session. If you have a calculator, raise your hand and I will collect it. (Pause.)

Distribute the Algebra 1 EOC test and answer books.

Contact your school assessment coordinator if you have preidentified books that do not belong to students in your testing room or if you need additional test and answer books. Update your required administration information as necessary.

After distributing test and answer books,

SAY  The only things on your desk should be your No. 2 pencil and your Algebra 1 EOC test and answer book (and reference sheet). Do not open your book.

Look at the label in the lower left corner of your book. Check to make sure that your name and date of birth are on the label. If you see any problems, raise your hand.

If a student has an incorrect label affixed to his or her book, contact your school assessment coordinator.

SAY  Now, look at the box in the upper left corner of your test and answer book.

Print your first and last names next to Student Name.

Print your date of birth next to Date of Birth.

Print _________________________ (name of the school) next to School Name.

Print _________________________ (name of the district) next to District Name.

Print _________________________ (today’s date) next to Today’s Date.

The fields in the upper left corner of the test and answer book must be completed by each student even when a student PreID label is affixed.

Once students have completed this information,

SAY  Now, look at the box labeled Session 1 Test Group Code. Write the test group code _____ in the boxes, and grid the corresponding bubbles.

Wait until students have finished.

SAY  Your test and answer book has two plastic tabs. Find the first plastic tab on the right side of your book. Carefully pull the tab out and down. Do not remove any remaining pieces of the tab. Do not pull the second plastic tab.

Make sure that all students pull the correct tab. If a student tears his or her book or removes the second plastic tab, contact your school assessment coordinator.

SAY  Next, open your test and answer book to page 2. The session number is at the top of each page that follows. Today, you may work only in Session 1. Check the pages in Session 1 until you reach the STOP sign to see that all page numbers are in order and that there aren’t any missing or upside-down pages. Do not read any of the items before the test begins.

If you see any problems, raise your hand. (Pause while students check the page numbers.)

When you come to this STOP sign during the test, you have finished Session 1. Do not go on to Session 2. If you complete Session 1 before time is called, go back and check your work.
If no defective books are found, continue to the next SAY box. If a defective book is found, contact your school assessment coordinator to obtain a replacement, and add the new security number to your required administration information.

Do not remove the student PreID label from the defective book. Direct the student to write his or her name, date of birth, school name, district name, and today’s date in the box in the upper left corner on the front cover of the replacement book, and notify your school assessment coordinator so that a new PreID label is printed and applied to the test and answer book. Set the defective book aside, grid the DNS bubble, and return it with all other NOT TO BE SCORED materials.

SAY

Now, turn to page 2 and look at the Testing Rules Acknowledgment. Please listen as I read the testing rules. During this test, you must not:

- go on to Session 2
- talk to other students or make any disturbance
- look at another student’s test and answer book (or reference sheet)
- allow another student to look at your test and answer book (or reference sheet)
- ask for help answering any test questions
- give help to another student in answering test questions
- have notes or scratch paper
- have any electronic or recording devices in your possession at any time, including breaks, even if you do not use them
- fail to follow any other instructions given

Because the content in all statewide assessments is secure, you may not discuss or reveal details about the test items after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites.

Are there any questions?

Answer all questions.

SAY

Now, read silently as I read the Testing Rules Acknowledgment out loud.

I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.

Now, sign your name on the line next to Signature in your test and answer book to indicate that you understand the testing rules.

Pause while students sign their names. If a student does not sign his or her name, contact your school assessment coordinator.
You will have 90 minutes to complete this test session, and you will be permitted to continue working if you need additional time. Now, turn to the Directions for Completing the Response Grids on pages 3 and 4. Read silently as I read aloud.

1. Work the problem and find an answer.
2. Write your answer in the answer boxes at the top of the grid.
   - Write your answer with the first digit in the left answer box OR with the last digit in the right answer box.
   - Write only one digit or symbol in each answer box. Do NOT leave a blank answer box in the middle of an answer.
   - Be sure to write a decimal point, negative sign, or fraction bar in the answer box if it is a part of the answer.
3. Fill in a bubble under each box in which you wrote your answer.
   - Fill in one and ONLY one bubble for each answer box. Do NOT fill in a bubble under an unused answer box.
   - Fill in each bubble by making a solid mark that completely fills the circle.
   - You MUST fill in the bubbles accurately to receive credit for your answer.

When a percent is required to answer a question, do NOT convert the percent to its decimal or fractional equivalent. Grid in the percent value without the % symbol. Do the same with dollar amounts.

Do NOT write a mixed number, such as 13\frac{1}{4}, in the answer boxes. Change the mixed number to an equivalent fraction, such as \frac{53}{4}, or to an equivalent decimal, such as 13.25. Do not try to fill in 13\frac{1}{4}, as it would be read as 131\frac{1}{4} and would be counted wrong.

You may refer to the Directions for Completing the Response Grids at any time during this session.

Now, turn to page 5 in your test and answer book and look at the Algebra 1 EOC FSA Mathematics Reference Sheet. The reference sheet contains formulas and conversions you may need to answer the mathematics questions. You may refer to this page at any time during this test session but do not tear the reference sheet out of the book. Now, close your book.

If your school provided paper copies of the Algebra 1 EOC FSA Mathematics Reference Sheet for students to use,

Now, look at the top of your paper reference sheet. It should say Algebra 1 EOC FSA Mathematics Reference Sheet. Examine the page carefully to ensure that content near the edge of the reference sheet has not been cut off. Please raise your hand if there are problems with your reference sheet.

Pause, then collect any defective reference sheets and return them to the school assessment coordinator. Distribute new reference sheets to these students and instruct them to check the sheets carefully.
Write your first and last names in the upper right corner of the reference sheet now. (Pause.)

This is considered a secure document and must be returned with your test and answer book.

Please raise your hand if you have any questions.

You will have 90 minutes to complete this test session.

Remember the following:

• Do not go on to Session 2.
• Mark your answers directly in your test and answer book.
• Read each item carefully so you will understand how to respond.
• Completely fill in the bubble or bubbles that you choose for your answer. If you change an answer, be sure to erase completely.
• When gridding a bubble or bubbles to provide your answer, only grid the bubbles you want to count as correct answers. If you draw a line or an X through an answer that you think is wrong and the mark goes into a bubble, that bubble might be counted as your answer.
• Do not circle bubbles. If you circle the bubbles instead of filling them in, your answers will not be scored.
• When you have completed this session, you may review your work in this session only.

Try to answer every question. If you aren’t sure how to answer a question, skip it and keep going. After you have answered all the other questions, go back and answer any questions you skipped.

You may not have scratch paper, but you may use the blank space in your test and answer book as workspace.

If you need to leave the room at any time, raise your hand. Only one student may leave the room at a time. Close your test and answer book before you leave. While outside the testing room, you are not permitted to access any electronic devices or discuss the test with anyone.

Please raise your hand if you have any questions.

Read Option A, B, or C based on instructions from your school assessment coordinator.

Option A

When you have finished this session, review your work carefully and make sure you have answered every question. Then, close your test and answer book and sit quietly until I tell you that this session has ended.

Please raise your hand if you have any questions.

OR
Option B

| SAY | When you have finished this session, review your work carefully and make sure you have answered every question. Then, close your test and answer book and raise your hand. Display the STARTING and STOPPING times for students.

Although it is your responsibility to ensure that students are working independently, you are prohibited from reading test content before, during, and after the test.

Do not use cell phones, classroom phones, computers, or other devices (except to contact your school assessment coordinator in an emergency). Do not check email, grade papers, etc. Your full attention should be on students at all times.
After 45 minutes from the STARTING time,

**SAY**  
Stop. Put your pencil down and close your test and answer book. You may stand and stretch, but do not talk.

After a short break,

**SAY**  
Now, be seated. You still have 45 minutes to complete this session, and I will let you know when there are 10 minutes left. When you come to the STOP sign, you have finished Session 1. You may **not** go on to Session 2. Remember, if you finish early, go back and check your work.

Make sure you are on the page where you left off. You may now continue working.

After 35 minutes,

**SAY**  
There are 10 minutes left in the 90-minute test session. Remember, do not go on to Session 2.

After 10 more minutes,

**SAY**  
Stop. Put your pencil down and close your test and answer book. Raise your hand if you would like additional time to work. Please sit quietly and do not continue working at this time.

If you have finished working, I will collect your test and answer book *(and reference sheet)* now.

Collect test materials.

Based on instructions from your school assessment coordinator, either dismiss students who have finished, **or** move students who require additional time to an alternate testing location. If students are moved to a new location, create a new seating chart for that location, and ensure that students using extra time are allowed the correct amount of time to complete the test. **Students may work for a total of half of a typical school day.**

Display the new stopping time for students. Once students are ready to continue working,

**SAY**  
Now, we will continue testing. You have until _____ to continue working, and I will let you know when there are 10 minutes left.

Now, open your test and answer book and continue working.

At 10 minutes before the stopping time,

**SAY**  
You have 10 minutes to finish Session 1. Remember, do not go on to Session 2.

After 10 more minutes,

**SAY**  
Stop. Put your pencil down and close your test and answer book.

Collect test materials.

Complete the following steps:

1. Make sure that each student returns his or her test and answer book *(and reference sheet)*, and indicate on your required administration information that each book is returned. Also make sure that your testing room seating chart is accurate and complete.
2. Report any missing materials and/or test irregularities or security breaches to your school assessment coordinator immediately.

3. Record the accommodations provided to students and the accommodations used by students on your required administration information. Use the following accommodations codes to record this information:

   For ESE/504 students:
   - 1-FP = Flexible Presentation
   - 1-FR = Flexible Responding
   - 1-FSC = Flexible Scheduling
   - 1-FSE = Flexible Setting

   - 2-FSE = Flexible Setting
   - 2-AHL = Assistance in Heritage Language
   - 2-ADI = Approved Dictionary

4. Return all materials to your school assessment coordinator until the beginning of Session 2.
Script for Administering the Accommodated Paper-Based Algebra 1 EOC Assessment

Session 2

90+ Minutes

Students must have calculators for this test session. Ensure that calculators are available for all students in your testing room.

The following script should be used for students participating in Session 2 of the Algebra 1 EOC assessment using a regular print, large print, or one-item-per-page paper-based accommodation.

When testing students who are allowed certain administration accommodations (e.g., extended time, use of translation dictionary), you must modify this script with the specific instructions that students are to follow. It is important that you review the script before testing begins to determine the necessary modifications.

If you are administering the test to students using a large print accommodation, use this script along with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script along with the instructions on pages 82–85. For more information about Oral Presentation accommodations, see pages 86–95.

This test session is 90 minutes, and students will take a short stretch break after 45 minutes of testing. Students who need additional time after 90 minutes may continue working up to half of a typical school day. Ensure that you have the correct stopping time for students who use additional time, and display the stopping time as instructed in the script.

During this test session, remember the following:

• Ensure that you have a Security Log and a seating chart, and collect required administration information for your room. Remember to maintain these documents during testing.

• Ensure that all students in your testing room have completed Session 1. If any students have not completed Session 1, contact your school assessment coordinator.

• If a student starts a test session and leaves campus without finishing (e.g., for lunch, an appointment, illness), he or she will not be allowed to return to that session. If you have concerns that a student will be unable to finish the session, you should not allow the student to begin. Instead, contact the school assessment coordinator for instructions.

• Provide individual student restroom breaks as needed, and maintain the security of the test during breaks. Only one student may leave the room at a time. The student should close his or her test and answer book and should not discuss or exchange information about the test with anyone during breaks. Students must not be given access to electronic devices (e.g., cell phones, smartphones, tablets, smartwatches) during breaks. If a student accesses his or her electronic device(s) during a break, that student’s test must be invalidated.

• During a break, you may reread portions of this script to students as reminders (e.g., check your work, testing rules).

• If a disruption occurs during testing, note the time of the disruption in order to provide students the appropriate amount of remaining time once testing resumes.
Before reading this script, please note that optional words are italicized and in parentheses.

• Be familiar with the prohibited activities listed on the Test Administrator Prohibited Activities Agreement that you signed.

Before Reading This Script

1. Before students arrive, ensure that the testing room is prepared as described on page 28 of the Fall/Winter 2020 ELA Retake and EOC Manual and that you have all test materials needed for this test session.

2. Display the four-digit test group code assigned by your school assessment coordinator.

3. Ensure that the Electronic Devices sign and Session 2 sign are visible to all students and that the Do Not Disturb sign is posted at each entrance to the testing room. (Signs are available in Appendix E of the Fall/Winter 2020 ELA Retake and EOC Manual.)

4. Ensure that all student desktops are free of any unauthorized aids (e.g., charts displaying mathematical concepts) and that any visual aids displayed in the testing room have been removed or covered.

5. Ensure that you understand your school assessment coordinator’s instructions regarding the length of time students should be permitted to test for this session. Display the stopping time for this session where it is visible to all students. Contact your school assessment coordinator if you have not already received timing information for Session 2.

6. Prior to testing, ensure that students have the following:
   • A No. 2 pencil
   • A handheld scientific calculator with the allowable functionality only
   • Algebra 1 EOC FSA Mathematics Reference Sheet (Reference sheets are included in the test and answer books, so paper reference sheets should be provided only if your school is providing copies for all students. You may provide new printed copies of the reference sheet for Session 2 and should instruct students to write their names on the new reference sheets. If you have retained the used reference sheets from Session 1, then make sure that each student receives the same reference sheet that he or she used during Session 1.)

   SAY Today, you are going to take Session 2 of the Algebra 1 EOC test. If you have not taken Session 1 of the Algebra 1 EOC test, please raise your hand.

   If a student raises his or her hand, contact your school assessment coordinator.

   SAY Remove all materials from your desk except a No. 2 pencil and your calculator (and your Algebra 1 EOC FSA Mathematics Reference Sheet).

   You may not have any electronic or recording devices, other than your calculator, at your desk, in your pockets, or anywhere you can reach them at any time during this test session, even if they are turned off or you do not use them. Electronic and recording devices include but are not limited to cell phones, smartphones, tablets, smartwatches, cameras, and any device capable of listening, recording, storing, viewing, or playing back audio or visual content. If you are found with any electronic or recording devices at any time during this test session, including breaks, your test will not be scored. If you have any devices with you right now, please turn them off and raise your hand.
If a student raises his or her hand, follow your school’s procedures regarding electronic devices. At this time, silence your own electronic device(s).

**SAY** You will have 90 minutes to complete this test session, and we will take a short stretch break after 45 minutes. After 90 minutes, you will be permitted to continue working if you need additional time.

Distribute the Algebra 1 EOC test and answer books. Each student should receive the test and answer book with his or her name on it.

Contact your school assessment coordinator if you have books that do not belong to students in your testing room or if any books are missing.

**SAY** Your No. 2 pencil, your calculator, and your Algebra 1 EOC test and answer book (and reference sheet) should be the only things on your desk. Make sure you have the test and answer book with your name on it. You may not return to or change any answers from Session 1.

Now, look at the box labeled Session 2 Test Group Code. Write the test group code ______ in the boxes, and grid the corresponding bubbles. (Pause.)

Find the remaining plastic tab sealing Session 2 of your book. Carefully pull the tab out and down. Do not remove any remaining pieces of the tab.

Make sure that all students pull the tabs correctly. If a student tears his or her book, obtain a replacement book with the same form number from your school assessment coordinator and record the new security number with your required administration information. The student’s responses from Session 1 will need to be transcribed into the new test and answer book.

**SAY** Next, open your test and answer book to the beginning of Session 2. The session number is at the top of each page that follows. Today, you may work only in Session 2. Check each page through the end of the book to see that all page numbers are in order and that there aren’t any missing or upside-down pages. Do not read any of the items before the test begins.

If you see any problems, raise your hand. If not, close the book and sit quietly.

Wait until all students finish. If no defective books are found, continue to the next SAY box. If a defective book is found, contact your school assessment coordinator to obtain a replacement with the same form number, and add the new security number to your required administration information.

Do not remove the student PreID label from the defective book. Direct the student to write his or her name, date of birth, school name, district name, and today’s date in the box in the upper left corner on the front cover of the replacement book, and notify your school assessment coordinator. The student’s responses from Session 1 will need to be transcribed into the new test and answer book, and a PreID label will need to be printed and applied.

**SAY** You will have 90 minutes to complete this test session. When you come to the STOP sign, you have finished Session 2. If you complete Session 2 before time is called, go back and check your work. Do not go back and work in Session 1.

Remember the following:
- Do not work in Session 1.
- Mark your answers directly in your test and answer book.
- Read each item carefully so you will understand how to respond.

Please raise your hand if you have any questions.

Answer all questions.

SAY

Before taking Session 1 of this test, you signed below the Testing Rules Acknowledgment in your test and answer book to indicate that you understand the testing rules. These testing rules are also in place for Session 2 of the test. Please remember that during this test you must not:

- work in Session 1

Next, open your test and answer book to page 2. Check the pages in the test and answer book until you reach the end to see that all page numbers are in order and that there aren’t any missing or upside-down pages. Do not read any of the items before the test begins.

If you see any problems, raise your hand.

Pause while students check the page numbers. **If no defective books are found, continue to the next SAY box.** If a defective book is found, contact your school assessment coordinator to obtain a replacement, and add the new security number to your required administration information.

Do not remove the student PreID label from the defective book. Direct the student to write his or her name, date of birth, school name, district name, and today’s date in the box in the upper left corner on the front cover of the replacement book, and notify your school assessment coordinator so that a new PreID label is printed and applied to the test and answer book. Set the defective book aside, grid the DNS bubble, and return it with all other **NOT TO BE SCORED** materials.

**SAY**

Now, turn to page 2 and look at the Testing Rules Acknowledgment. Please listen as I read the testing rules. During this test, you must not:

- talk to other students or make any disturbance
- look at another student’s test and answer book
- allow another student to look at your test and answer book
- ask for help answering any test questions
- give help to another student in answering test questions

**SAY**
- When filling in a bubble to provide your answer, only fill in the bubbles you want to count as correct answers. If you draw a line or an X through an answer that you think is wrong and the mark goes into a bubble, that bubble might be counted as your answer.
- Do not circle bubbles. If you circle the bubbles instead of filling them in, your answers will **not** be scored.
- When you have completed this test, you may review your work.

Try to answer every question. If you aren’t sure how to answer a question, skip it and keep going. After you have answered all the other questions, go back and answer any questions you skipped.

You may not have scratch paper, but you **may** use the blank space in your test and answer book as workspace.

2. Keep periodic tables in a separate stack and, if necessary, remove any stray periodic tables from test and answer books.

3. Report any missing materials and/or test irregularities or security breaches to your school assessment coordinator immediately.
4. Ensure that the box at the upper left corner of the front cover has been completed by each student and that the information on the PreID label is accurate and complete.

5. Record the accommodations provided to students and the accommodations used by students on your required administration information. Use the following accommodations codes to record this information:

Script for Administering the Accommodated Paper-Based Civics EOC Assessment

160+ Minutes

The following script should be used for students participating in the Civics EOC assessment using a regular print, large print, or one-item-per-page paper-based accommodation.

When testing students who are allowed certain administration accommodations (e.g., extended time, use of translation dictionary), you must modify this script with the specific instructions that students are to follow. It is important that you review the script before testing begins to determine the necessary modifications.

If you are administering the test to students using a large print accommodation, use this script along with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script along with the instructions on pages 82–85. For more information about Oral Presentation accommodations, see pages 86–95.

This test is 160 minutes, and students will take a short stretch break after 80 minutes of testing. Students who need additional time after 160 minutes may continue working; however, testing must be completed within the same school day.

During this test, remember the following:

- Ensure that you have a Security Log and a seating chart, and collect required administration information for your room. Remember to maintain these documents during testing.
- If a student starts a test and leaves campus without finishing (e.g., for lunch, an appointment, illness), he or she will not be allowed to return to that test. If you have concerns that a student will be unable to finish the test, you should not allow the student to begin. Instead, contact the school assessment coordinator for instructions.
- Provide individual student restroom breaks as needed, and maintain the security of the test during breaks. Only one student may leave the room at a time. The student should close his or her test and answer book and should not discuss or exchange information about the test with anyone during breaks. Students must not be given access to electronic devices (e.g., cell phones, smartphones, tablets, smartwatches) during breaks. If a student accesses his or her electronic device(s) during a break, that student’s test must be invalidated.
- During a break, you may reread portions of this script to students as reminders (e.g., check your work, testing rules).
- If a disruption occurs during testing, note the time of the disruption in order to provide students the appropriate amount of remaining time once testing resumes.
- When reading the following script, please note that optional words are italicized and in parentheses.
- Be familiar with the prohibited activities listed on the Test Administrator Prohibited Activities Agreement that you signed.
**Before Reading This Script**

1. Before students arrive, ensure that the testing room is prepared as described on page 28 of the Fall/Winter 2020 ELA Retake and EOC Manual and that you have all test materials needed for this test.

2. Display the district name, school name, today’s date, and the four-digit test group code assigned by your school assessment coordinator.

3. Ensure that the Electronic Devices sign is visible to all students and that the Do Not Disturb sign is posted at each entrance to the testing room. (Signs are available in Appendix E of the Fall/Winter 2020 ELA Retake and EOC Manual.)

4. Ensure that each student has a No. 2 pencil.

5. Ensure that all student desktops are free of any unauthorized aids (e.g., charts displaying government concepts) and that any visual aids displayed in the testing room have been removed or covered.

90+ Minutes

Calculators are not permitted during this test session. Do not distribute calculators until the beginning of Session 2.

The following script should be used for students participating in Session 1 of the Geometry EOC assessment using a regular print, large print, or one-item-per-page paper-based accommodation.

When testing students who are allowed certain administration accommodations (e.g., extended time, use of translation dictionary), you must modify this script with the specific instructions that students are to follow. It is important that you review the script before testing begins to determine the necessary modifications.

If you are administering the test to students using a large print accommodation, use this script along with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script along with the instructions on pages 82–85. For more information about Oral Presentation accommodations, see pages 86–95.

This test session is 90 minutes, and students will take a short stretch break after 45 minutes of testing. Students who need additional time after 90 minutes may continue working up to half of a typical school day. Ensure that you have the correct stopping time for students who use additional time, and display the stopping time as instructed in the script.

During this test session, remember the following:

- Ensure that you have a Security Log and a seating chart, and collect required administration information for your room. Remember to maintain these documents during testing.
- If a student starts a test session and leaves campus without finishing (e.g., for lunch, an appointment, illness), he or she will not be allowed to return to that session. If you have concerns that a student will be unable to finish the session, you should not allow the student to begin. Instead, contact the school assessment coordinator for instructions.
- Provide individual student restroom breaks as needed, and maintain the security of the test during breaks. Only one student may leave the room at a time. The student should close his or her test and answer book and should not discuss or exchange information about the test with anyone during breaks. Students must not be given access to electronic devices (e.g., cell phones, smartphones, tablets, smartwatches) during breaks. If a student accesses his or her electronic device(s) during a break, that student’s test must be invalidated.
- During a break, you may reread portions of this script to students as reminders (e.g., check your work, testing rules).
Before Reading This Script

1. Before students arrive, ensure that the testing room is prepared as described on page 28 of the Fall/Winter 2020 ELA Retake and EOC Manual and that you have all test materials needed for this test session.

2. Display the district name, school name, today’s date, and the four-digit test group code assigned by your school assessment coordinator.

3. Ensure that the Electronic Devices sign, No Calculators sign, and Session 1 sign are visible to all students and that the Do Not Disturb sign is posted at each entrance to the testing room. (Signs are available in Appendix E of the Fall/Winter 2020 ELA Retake and EOC Manual.)

4. Ensure that all student desktops are free of any unauthorized aids (e.g., charts displaying mathematical concepts) and that any visual aids displayed in the testing room have been removed or covered.

5. Ensure that you understand your school assessment coordinator’s instructions regarding the length of time students should be permitted to test for this session. Display the stopping time for this session where it is visible to all students. Contact your school assessment coordinator if you have not already received timing information for Session 1.

6. Prior to testing, ensure that students have the following:
   - A No. 2 pencil
   - Geometry EOC FSA Mathematics Reference Sheet (Reference sheets are included in the test and answer books, so paper reference sheets should be provided only if your school is providing copies for all students.)

You may not have any electronic or recording devices at your desk, in your pockets, or anywhere you can reach them at any time during this test session, even if they are turned off or you do not use them. Electronic and recording devices include but are not limited to cell phones, smartphones, tablets, smartwatches, cameras, and any device capable of listening, recording, storing, viewing, or playing back audio or visual content. If you are found with any electronic or recording devices at any time during this test session, including breaks, your test will not be scored. If you have any devices with you right now, please turn them off and raise your hand.

If a student raises his or her hand, follow your school’s procedures regarding electronic devices. At this time, silence your own electronic device(s).

You will have 90 minutes to complete this test session, and we will take a short stretch break after 45 minutes. After 90 minutes, you will be permitted to continue working if you need additional time.
Calculators are not allowed during this test session. If you have a calculator, raise your hand and I will collect it. (Pause.)

Distribute the Geometry EOC test and answer books.

Contact your school assessment coordinator if you have preidentified books that do not belong to students in your testing room or if you need additional test and answer books. Update your required administration information as necessary.

After distributing test and answer books,

The only things on your desk should be your No. 2 pencil and your Geometry EOC test and answer book (and reference sheet). Do not open your book.

Look at the label in the lower left corner of your book. Check to make sure that your name and date of birth are on the label. If you see any problems, raise your hand.

If a student has an incorrect label affixed to his or her book, contact your school assessment coordinator.

Now, look at the box in the upper left corner of your test and answer book.

Print your first and last names next to Student Name.

Print your date of birth next to Date of Birth.

Print _________________________ (name of the school) next to School Name.

Print _________________________ (name of the district) next to District Name.

Print _________________________ (today’s date) next to Today’s Date.

The fields in the upper left corner of the test and answer book must be completed by each student even when a student PreID label is affixed.

Once students have completed this information,

Your test and answer book has two plastic tabs. Find the first plastic tab on the right side of your book. Carefully pull the tab out and down. Do not remove any remaining pieces of the tab. Do not pull the second plastic tab.

Make sure that all students pull the correct tab. If a student tears his or her book or removes the second plastic tab, contact your school assessment coordinator.

Next, open your test and answer book to page 2. The session number is at the top of each page that follows. Today, you may work only in Session 1. Check the pages in Session 1 until you reach the STOP sign to see that all page numbers are in order and that there aren’t any missing or upside-down pages. Do not read any of the items before the test begins.

If you see any problems, raise your hand. (Pause while students check the page numbers.)

When you come to this STOP sign during the test, you have finished Session 1. Do not go on to Session 2. If you complete Session 1 before time is called, go back and check your work.
If no defective books are found, continue to the next SAY box. If a defective book is found, contact your school assessment coordinator to obtain a replacement, and add the new security number to your required administration information.

Do not remove the student PreID label from the defective book. Direct the student to write his or her name, date of birth, school name, district name, and today’s date in the box in the upper left corner on the front cover of the replacement book, and notify your school assessment coordinator so that a new PreID label is printed and applied to the test and answer book. Set the defective book aside, grid the DNS bubble, and return it with all other NOT TO BE SCORED materials.

Now, turn to page 2 and look at the Testing Rules Acknowledgment. Please listen as I read the testing rules. During this test, you must not:

- go on to Session 2
- talk to other students or make any disturbance
- look at another student’s test and answer book *(or reference sheet)*
- allow another student to look at your test and answer book *(or reference sheet)*
- ask for help answering any test questions
- give help to another student in answering test questions
- have notes or scratch paper
- have any electronic or recording devices in your possession at any time, including breaks, even if you do not use them
- fail to follow any other instructions given

Because the content in all statewide assessments is secure, you may not discuss or reveal details about the test items after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites.

Are there any questions?

Answer all questions.

Now, read silently as I read the Testing Rules Acknowledgment out loud.

*I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.*

Now, sign your name on the line next to Signature in your test and answer book to indicate that you understand the testing rules.

Pause while students sign their names. If a student does not sign his or her name, contact your school assessment coordinator.
You will have 90 minutes to complete this test session, and you will be permitted to continue working if you need additional time. Now, turn to the Directions for Completing the Response Grids on pages 3 and 4. Read silently as I read aloud.

1. Work the problem and find an answer.
2. Write your answer in the answer boxes at the top of the grid.
   - Write your answer with the first digit in the left answer box OR with the last digit in the right answer box.
   - Write only one digit or symbol in each answer box. Do NOT leave a blank answer box in the middle of an answer.
   - Be sure to write a decimal point, negative sign, or fraction bar in the answer box if it is a part of the answer.
3. Fill in a bubble under each box in which you wrote your answer.
   - Fill in one and ONLY one bubble for each answer box. Do NOT fill in a bubble under an unused answer box.
   - Fill in each bubble by making a solid mark that completely fills the circle.
   - You MUST fill in the bubbles accurately to receive credit for your answer.

When a percent is required to answer a question, do NOT convert the percent to its decimal or fractional equivalent. Grid in the percent value without the % symbol. Do the same with dollar amounts.

Do NOT write a mixed number, such as $13\frac{1}{4}$, in the answer boxes. Change the mixed number to an equivalent fraction, such as $\frac{53}{4}$, or to an equivalent decimal, such as 13.25. Do not try to fill in $13\frac{1}{4}$, as it would be read as $13\frac{1}{4}$ and would be counted wrong.

You may refer to the Directions for Completing the Response Grids at any time during this session.

If your school provided paper copies of the Geometry EOC FSA Mathematics Reference Sheet for students to use,

Now, look at the top of your paper reference sheet. It should say Geometry 1 EOC FSA Mathematics Reference Sheet. Examine the page carefully to ensure that content near the edge of the reference sheet has not been cut off. Please raise your hand if there are problems with your reference sheet.

Pause, then collect any defective reference sheets and return them to the school assessment coordinator. Distribute new reference sheets to these students and instruct them to check the sheets carefully.
SAY  Write your first and last names in the upper right corner of the reference sheet now. *(Pause.)*

This is considered a secure document and must be returned with your test and answer book.

Please raise your hand if you have any questions.

Answer all questions.

SAY  You will have 90 minutes to complete this test session.

Remember the following:

- Do not go on to Session 2.
- Mark your answers directly in your test and answer book.
- Read each item carefully so you will understand how to respond.
- Completely fill in the bubble or bubbles that you choose for your answer. If you change an answer, be sure to erase completely.
- When gridding a bubble or bubbles to provide your answer, only grid the bubbles you want to count as correct answers. If you draw a line or an X through an answer that you think is wrong and the mark goes into a bubble, that bubble might be counted as your answer.
- Do not circle bubbles. If you circle the bubbles instead of filling them in, your answers will not be scored.
- When you have completed this session, you may review your work in this session only.

Try to answer every question. If you aren’t sure how to answer a question, skip it and keep going. After you have answered all the other questions, go back and answer any questions you skipped.

You may not have scratch paper, but you may use the blank space in your test and answer book as workspace.

If you need to leave the room at any time, raise your hand. Only one student may leave the room at a time. Close your test and answer book before you leave. While outside the testing room, you are **not** permitted to access any electronic devices or discuss the test with anyone.

Please raise your hand if you have any questions.

Answer all questions.

**Read Option A, B, or C based on instructions from your school assessment coordinator.**

**Option A**

SAY  When you have finished this session, review your work carefully and make sure you have answered every question. Then, close your test and answer book and sit quietly until I tell you that this session has ended.

Please raise your hand if you have any questions.

**OR**
Option B

When you have finished this session, review your work carefully and make sure you have answered every question. Then, close your test and answer book and raise your hand. I will collect your test and answer book (and reference sheet). Once I have collected your materials, I will not be able to return them to you. Then you must sit quietly until I tell you that this session has ended.

Answer all questions.

You have 90 minutes to complete this test session, and we will take a short stretch break after 45 minutes. After 90 minutes, you will be permitted to continue working if you need additional time. I will remind you when there are 10 minutes left in the session.

Open your test and answer book to page 8 and begin working.

Complete the following:

STARTING time: __________
Add 45 minutes: +45 minutes
Time to call a break: __________
TIME TESTING RESUMES: __________
Add 35 minutes: +35 minutes
Time for 10-minute reminder: __________
Add 10 minutes: +10 minutes
STOPPING time: __________

Display the STARTING and STOPPING times for students.

Although it is your responsibility to ensure that students are working independently, you are prohibited from reading test content before, during, and after the test.

Do not use cell phones, classroom phones, computers, or other devices (except to contact your school assessment coordinator in an emergency). Do not check email, grade papers, etc. Your full attention should be on students at all times.
After 45 minutes from the STARTING time,

SAY **Stop.** Put your pencil down and close your test and answer book. You may stand and stretch, but do not talk.

After a short break,

SAY Now, be seated. You still have 45 minutes to complete this session, and I will let you know when there are 10 minutes left. When you come to the STOP sign, you have finished Session 1. You may **not** go on to Session 2. Remember, if you finish early, go back and check your work. Make sure you are on the page where you left off. You may now continue working.

After 35 minutes,

SAY There are 10 minutes left in the 90-minute test session. Remember, do not go on to Session 2.

After 10 more minutes,

SAY **Stop.** Put your pencil down and close your test and answer book. Raise your hand if you would like additional time to work. Please sit quietly and do not continue working at this time. If you have finished working, I will collect your test and answer book (and reference sheet) now.

Collect test materials.

Based on instructions from your school assessment coordinator, either dismiss students who have finished, or move students who require additional time to an alternate testing location. If students are moved to a new location, create a new seating chart for that location, and ensure that students using extra time are allowed the correct amount of time to complete the test. **Students may work for a total of half of a typical school day.**

Display the new stopping time for students. Once students are ready to continue working,

SAY Now, we will continue testing. You have until _____ to continue working, and I will let you know when there are 10 minutes left.

Now, open your test and answer book and continue working.

At 10 minutes before the stopping time,

SAY You have 10 minutes to finish Session 1. Remember, do not go on to Session 2.

After 10 more minutes,

SAY **Stop.** Put your pencil down and close your test and answer book.

Collect test materials.

Complete the following steps:

1. Make sure that each student returns his or her test and answer book (and reference sheet), and indicate on your required administration information that each book is returned. Also make sure that your testing room seating chart is accurate and complete.
2. Report any missing materials and/or test irregularities or security breaches to your school assessment coordinator immediately.

3. Record the accommodations provided to students and the accommodations used by students on your required administration information. Use the following accommodations codes to record this information:

   For ESE/504 students:
   - 1-FP = Flexible Presentation
   - 1-FR = Flexible Responding
   - 1-FSC = Flexible Scheduling
   - 1-FSE = Flexible Setting
   - 1-AD = Assistive Devices

   For ELL or recently exited ELL students:
   - 2-FSC = Flexible Scheduling
   - 2-FSE = Flexible Setting
   - 2-AHL = Assistance in Heritage Language
   - 2-ADI = Approved Dictionary

4. Return all materials to your school assessment coordinator until the beginning of Session 2.
Script for Administering the Accommodated Paper-Based Geometry EOC Assessment

**Session 2**

90+ Minutes

**Students must have calculators for this test session.** Ensure that calculators are available for all students in your testing room.

The following script should be used for students participating in Session 2 of the Geometry EOC assessment using a regular print, large print, or one-item-per-page paper-based accommodation.

When testing students who are allowed certain administration accommodations (e.g., extended time, use of translation dictionary), you must modify this script with the specific instructions that students are to follow. It is important that you review the script before testing begins to determine the necessary modifications.

If you are administering the test to students using a large print accommodation, use this script along with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script along with the instructions on pages 82–85. For more information about Oral Presentation accommodations, see pages 86–95.

**This test session is 90 minutes, and students will take a short stretch break after 45 minutes of testing. Students who need additional time after 90 minutes may continue working up to half of a typical school day. Ensure that you have the correct stopping time for students who use additional time, and display the stopping time as instructed in the script.**

During this test session, remember the following:

- Ensure that you have a Security Log and a seating chart, and collect required administration information for your room. Remember to maintain these documents during testing.

- Ensure that all students in your testing room have completed Session 1. If any students have not completed Session 1, contact your school assessment coordinator.

- If a student starts a test session and leaves campus without finishing (e.g., for lunch, an appointment, illness), he or she will **not** be allowed to return to that session. If you have concerns that a student will be unable to finish the session, you should not allow the student to begin. Instead, contact the school assessment coordinator for instructions.

- Provide individual student restroom breaks as needed, and maintain the security of the test during breaks. Only one student may leave the room at a time. The student should close his or her test and answer book and should not discuss or exchange information about the test with anyone during breaks. **Students must not be given access to electronic devices (e.g., cell phones, smartphones, tablets, smartwatches) during breaks.** If a student accesses his or her electronic device(s) during a break, **that student’s test must be invalidated.**

- During a break, you may reread portions of this script to students as reminders (e.g., check your work, testing rules).

- If a disruption occurs during testing, note the time of the disruption in order to provide students the appropriate amount of remaining time once testing resumes.
• When reading the following script, please note that optional words are italicized and in parentheses.
• Be familiar with the prohibited activities listed on the Test Administrator Prohibited Activities Agreement that you signed.

Before Reading This Script

1. Before students arrive, ensure that the testing room is prepared as described on page 28 of the Fall/Winter 2020 ELA Retake and EOC Manual and that you have all test materials needed for this test session.

2. Display the four-digit test group code assigned by your school assessment coordinator.

3. Ensure that the Electronic Devices sign and Session 2 sign are visible to all students and that the Do Not Disturb sign is posted at each entrance to the testing room. (Signs are available in Appendix E of the Fall/Winter 2020 ELA Retake and EOC Manual.)

4. Ensure that all student desktops are free of any unauthorized aids (e.g., charts displaying mathematical concepts) and that any visual aids displayed in the testing room have been removed or covered.

5. Ensure that you understand your school assessment coordinator’s instructions regarding the length of time students should be permitted to test for this session. Display the stopping time for this session where it is visible to all students. Contact your school assessment coordinator if you have not already received timing information for Session 2.

6. Prior to testing, ensure that students have the following:
   • A No. 2 pencil
   • A handheld scientific calculator with the allowable functionality only
   • Geometry EOC FSA Mathematics Reference Sheet (Reference sheets are included in the test and answer books, so paper reference sheets should be provided only if your school is providing copies for all students. You may provide new printed copies of the reference sheet for Session 2 and should instruct students to write their names on the new reference sheets. If you have retained the used reference sheets from Session 1, then make sure that each student receives the same reference sheet that he or she used during Session 1.)

SAY Today, you are going to take Session 2 of the Geometry EOC test. If you have not taken Session 1 of the Geometry EOC test, please raise your hand.

If a student raises his or her hand, contact your school assessment coordinator.

SAY Remove all materials from your desk except a No. 2 pencil and your calculator (and your Geometry EOC FSA Mathematics Reference Sheet).

You may not have any electronic or recording devices, other than your calculator, at your desk, in your pockets, or anywhere you can reach them at any time during this test session, even if they are turned off or you do not use them. Electronic and recording devices include but are not limited to cell phones, smartphones, tablets, smartwatches, cameras, and any device capable of listening, recording, storing, viewing, or playing back audio or visual content. If you are found with any electronic or recording devices at any time during this test session, including breaks, your test will not be scored. If you have any devices with you right now, please turn them off and raise your hand.
If a student raises his or her hand, follow your school’s procedures regarding electronic devices. At this time, silence your own electronic device(s).

**SAY** You will have 90 minutes to complete this test session, and we will take a short stretch break after 45 minutes. After 90 minutes, you will be permitted to continue working if you need additional time.

Distribute the Geometry EOC test and answer books. Each student should receive the test and answer book with his or her name on it.

Contact your school assessment coordinator if you have books that do not belong to students in your testing room or if any books are missing.

**SAY** Your No. 2 pencil, your calculator, and your Geometry EOC test and answer book (and reference sheet) should be the only things on your desk. Make sure you have the test and answer book with your name on it. You may not return to or change any answers from Session 1.

Now, look at the box labeled **Session 2 Test Group Code**. Write the test group code _____ in the boxes, and grid the corresponding bubbles. *(Pause.)*

Find the remaining plastic tab sealing Session 2 of your book. Carefully pull the tab **out** and **down**. Do not remove any remaining pieces of the tab.

Make sure that all students pull the tabs correctly. If a student tears his or her book, obtain a replacement book with the same form number from your school assessment coordinator and record the new security number with your required administration information. The student’s responses from Session 1 will need to be transcribed into the new test and answer book.

**SAY** Next, open your test and answer book to the beginning of Session 2. The session number is at the top of each page that follows. Today, you may work only in Session 2. Check each page through the end of the book to see that all page numbers are in order and that there aren’t any missing or upside-down pages. Do not read any of the items before the test begins.

If you see any problems, raise your hand. If not, close the book and sit quietly.

**Wait until all students finish. If no defective books are found, continue to the next SAY box.** If a defective book is found, contact your school assessment coordinator to obtain a replacement with the same form number, and add the new security number to your required administration information.

Do not remove the student PreID label from the defective book. Direct the student to write his or her name, date of birth, school name, district name, and today’s date in the box in the upper left corner on the front cover of the replacement book, and notify your school assessment coordinator. The student’s responses from Session 1 will need to be transcribed into the new test and answer book, and a PreID label will need to be printed and applied.

**SAY** You will have 90 minutes to complete this test session. When you come to the STOP sign, you have finished Session 2. If you complete Session 2 before time is called, go back and check your work. Do not go back and work in Session 1.

Remember the following:

- Do not work in Session 1.
- Mark your answers directly in your test and answer book.
- Read each item carefully so you will understand how to respond.
SAY

• Completely fill in the bubble or bubbles that you choose for your answer. If you change an answer, be sure to erase completely.
• When gridding a bubble or bubbles to provide your answer, only grid the bubbles you want to count as correct answers. If you draw a line or an X through an answer that you think is wrong and the mark goes into a bubble, that bubble might be counted as your answer.
• Do not circle bubbles. If you circle the bubbles instead of filling them in, your answers will not be scored.

Try to answer every question. If you aren’t sure how to answer a question, skip it and keep going. After you have answered all the other questions, go back and answer any questions you skipped.

If you need to leave the room at any time, raise your hand. Only one student may leave the room at a time. Close your test and answer book before you leave. While outside the testing room, you are not permitted to access any electronic devices or discuss the test with anyone.

You may not have scratch paper, but you may use the blank space in your test and answer book as workspace. Remember, you may refer to the Directions for Completing the Response Grids on pages 3 and 4 and the Geometry EOC FSA Mathematics Reference Sheet at the beginning of the session at any time. Remember, do not remove the reference sheet from the test and answer book. Now, close your book.

If your school provided paper copies of the Geometry EOC FSA Mathematics Reference Sheet for students to use,

SAY

Now, look at your reference sheet. (Make sure you have the reference sheet with your name on it.) (Write your first and last names in the upper right corner of the new reference sheet now.) Please raise your hand if there are problems with your reference sheet.

This is considered a secure document and must be returned with your test and answer book.

Please raise your hand if you have any questions.

Answer all questions.

SAY

Before taking Session 1 of this test, you signed below the Testing Rules Acknowledgment in your test and answer book to indicate that you understand the testing rules. These testing rules are also in place for Session 2 of the test. Please remember that during this test you must not:

• talk to other students or make any disturbance
• look at another student’s test and answer book (or reference sheet)
• allow another student to look at your test and answer book (or reference sheet)

   - 1-FSE = Flexible Setting
   - 1-AD = Assistive Devices

   **For ELL or recently exited ELL students:**
   - 2-FSC = Flexible Scheduling
   - 2-FSE = Flexible Setting
   - 2-AHL = Assistance in Heritage Language
   - 2-ADI = Approved Dictionary

5. Return all materials to your school assessment coordinator as described on page 133 of the Fall/Winter 2020 ELA Retake and EOC Manual.
Script for Administering the Accommodated Paper-Based U.S. History EOC Assessment

160+ Minutes

The following script should be used for students participating in the U.S. History EOC assessment using a regular print, large print, or one-item-per-page paper-based accommodation.

When testing students who are allowed certain administration accommodations (e.g., extended time, use of translation dictionary), you must modify this script with the specific instructions that students are to follow. It is important that you review the script before testing begins to determine the necessary modifications.

If you are administering the test to students using a large print accommodation, use this script along with the instructions on pages 79–81. If you are administering the test to students using a one-item-per-page accommodation, use this script along with the instructions on pages 82–85. For more information about Oral Presentation accommodations, see pages 86–95.

This test is 160 minutes, and students will take a short stretch break after 80 minutes of testing. Students who need additional time after 160 minutes may continue working; however, testing must be completed within the same school day.

During this test, remember the following:

- Ensure that you have a Security Log and a seating chart, and collect required administration information for your room. Remember to maintain these documents during testing.

- If a student starts a test and leaves campus without finishing (e.g., for lunch, an appointment, illness), he or she will not be allowed to return to that test. If you have concerns that a student will be unable to finish the test, you should not allow the student to begin. Instead, contact the school assessment coordinator for instructions.

- Provide individual student restroom breaks as needed, and maintain the security of the test during breaks. Only one student may leave the room at a time. The student should close his or her test and answer book and should not discuss or exchange information about the test with anyone during breaks. Students must not be given access to electronic devices (e.g., cell phones, smartphones, tablets, smartwatches) during breaks. If a student accesses his or her electronic device(s) during a break, that student’s test must be invalidated.

- During a break, you may reread portions of this script to students as reminders (e.g., check your work, testing rules).

- If a disruption occurs during testing, note the time of the disruption in order to provide students the appropriate amount of remaining time once testing resumes.

- When reading the following script, please note that optional words are italicized and in parentheses.

- Be familiar with the prohibited activities listed on the Test Administrator Prohibited Activities Agreement that you signed.
Before Reading This Script

1. Before students arrive, ensure that the testing room is prepared as described on page 28 of the Fall/Winter 2020 ELA Retake and EOC Manual and that you have all test materials needed for this test.

2. Display the district name, school name, today’s date, and the four-digit test group code assigned by your school assessment coordinator.

3. Ensure that the Electronic Devices sign is visible to all students and that the Do Not Disturb sign is posted at each entrance to the testing room. (Signs are available in Appendix E of the Fall/Winter 2020 ELA Retake and EOC Manual.)

4. Ensure that each student has a No. 2 pencil.

5. Ensure that all student desktops are free of any unauthorized aids (e.g., charts displaying government concepts) and that any visual aids displayed in the testing room have been removed or covered.

---

SAY

Today, you will take the U.S. History EOC test. Remove all materials from your desk except a No. 2 pencil.

You may not have any electronic or recording devices at your desk, in your pockets, or anywhere you can reach them at any time during this test, even if they are turned off or you do not use them. Electronic and recording devices include but are not limited to cell phones, smartphones, tablets, smartwatches, cameras, and any device capable of listening, recording, storing, viewing, or playing back audio or visual content. **If you are found with any electronic or recording devices at any time during this test, including breaks, your test will not be scored.** If you have any devices with you right now, please turn them off and raise your hand.

If a student raises his or her hand, follow your school’s procedures regarding electronic devices. At this time, silence your own electronic device(s).

SAY

You will have 160 minutes to complete this test, and we will take a short stretch break after 80 minutes. After 160 minutes, you will be permitted to continue working if you need additional time.

Distribute the U.S. History EOC test and answer books.

Contact your school assessment coordinator if you have preidentified books that do not belong to students in your testing room or if you need additional test and answer books. Update your required administration information as necessary.

---

SAY

The only things on your desk should be your No. 2 pencil and your NGSSS U.S. History EOC test and answer book. Do not open your book.

Look at the label in the lower left corner of your book. Check to make sure that your name and date of birth are on the label. If you see any problems, raise your hand.

If a student has an incorrect label affixed to his or her book, contact your school assessment coordinator.

SAY

Now, look at the box in the upper left corner of your test and answer book.

Print your first and last names next to **Student Name**.
The fields in the upper left corner of the test and answer book must be completed by each student even when a student PreID label is affixed.

Once students have completed this information,

SAY
Now, look at the box labeled Test Group Code. Write the test group code ______ in the boxes, and grid the corresponding bubbles.

Wait until students have finished.

SAY
Your test and answer book has one plastic tab. Find the plastic tab on the right side of your book. Carefully pull the tab out and down. Do not remove any remaining pieces of the tab.

Make sure that all students pull the tab. If a student tears his or her book, contact your school assessment coordinator.

SAY
Next, open your test and answer book to page 2. Check the pages in the test and answer book until you reach the end to see that all page numbers are in order and that there aren’t any missing or upside-down pages. Do not read any of the items before the test begins.

If you see any problems, raise your hand.

Pause while students check the page numbers. If no defective books are found, continue to the next SAY box. If a defective book is found, contact your school assessment coordinator to obtain a replacement, and add the new security number to your required administration information.

Do not remove the student PreID label from the defective book. Direct the student to write his or her name, date of birth, school name, district name, and today’s date in the box in the upper left corner on the front cover of the replacement book, and notify your school assessment coordinator so that a new PreID label is printed and applied to the test and answer book. Set the defective book aside, grid the DNS bubble, and return it with all other NOT TO BE SCORED materials.

SAY
Now, turn to page 2 and look at the Testing Rules Acknowledgment. Please listen as I read the testing rules. During this test, you must not:

- talk to other students or make any disturbance
- look at another student’s test and answer book
- allow another student to look at your test and answer book
- ask for help answering any test questions
- give help to another student in answering test questions
- have notes or scratch paper
- have any electronic or recording devices in your possession at any time, including breaks, even if you do not use them
- fail to follow any other instructions given
Because the content in all statewide assessments is secure, you may not discuss or reveal details about the test items after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites.

Are there any questions?

Answer all questions.

Now, read silently as I read the Testing Rules Acknowledgment out loud.

I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.

Now, sign your name on the line next to Signature in your test and answer book to indicate that you understand the testing rules.

Pause while students sign their names. If a student does not sign his or her name, contact your school assessment coordinator.

Turn to page 3 and read silently as I read aloud the directions at the top of the page.

Read each item in this Test and Answer Book. Then, choose the best answer to each item. Fill in the bubble completely beside the answer you choose. If you change your answer, be sure to erase completely.

Now, close your test and answer book.

Remember the following:

- Mark your answers directly in your test and answer book.
- Read each item carefully so you will understand how to respond.
- Completely fill in the bubble that you choose for your answer. If you change an answer, be sure to erase completely.
- When filling in a bubble to provide your answer, only fill in the bubbles you want to count as correct answers. If you draw a line or an X through an answer that you think is wrong and the mark goes into a bubble, that bubble might be counted as your answer.
- Do not circle bubbles. If you circle the bubbles instead of filling them in, your answers will not be scored.
- When you have completed this test, you may review your work.

Try to answer every question. If you aren’t sure how to answer a question, skip it and keep going. After you have answered all the other questions, go back and answer any questions you skipped.

You may not have scratch paper, but you may use the blank space in your test and answer book as workspace.

If you need to leave the room at any time, raise your hand. Only one student may leave the room at a time. Close your test and answer book before you leave. While outside the testing room, you are not permitted to access any electronic devices or discuss the test with anyone.

Please raise your hand if you have any questions.

Answer all questions.
Read Option A, B, or C based on instructions from your school assessment coordinator.

Option A

| SAY | When you have finished the test, review your work carefully and make sure you have answered every question. Then, close your test and answer book and raise your hand. I will collect your test materials. Once I have collected your test and answer book, I will not be able to return it to you. If you finish the test within the first 80 minutes, please sit quietly. You are not permitted to leave within the first 80 minutes. At the break, you will be dismissed. If you finish the test after the stretch break, you may leave quietly once I have collected your test materials. Please raise your hand if you have any questions. |

OR

Option B

| SAY | When you have finished the test, review your work carefully and make sure you have answered every question. Then, close your test and answer book and raise your hand. **STOPPING time:** __________

Display the STARTING and STOPPING times for students.

Although it is your responsibility to ensure that students are working independently, you are prohibited from reading test content before, during, and after the test.

Do not use cell phones, classroom phones, computers, or other devices (except to contact your school assessment coordinator in an emergency). Do not check email, grade papers, etc. Your full attention should be on students **at all times**.

After 80 minutes from the STARTING time,

**SAY** Stop. Put your pencil down and close your test and answer book. You may stand and stretch, but do not talk.

**If your school selected Option A,**

**SAY** Please raise your hand if you have completed the test. I will confirm that I have your test materials, and then you may leave the room quietly. If you have not completed the test, wait quietly as I dismiss these students. We will resume testing after the break.

Confirm that you have collected all test materials from students who are being dismissed at this time.

After a short break,

**SAY** Now, be seated. You still have 80 minutes to complete this test, and I will let you know when there are 10 minutes left. Remember, if you finish early, go back and check your work. Make sure you are on the page where you left off. You may now continue working.

After 70 minutes,

**SAY** There are 10 minutes left in this test. Remember that you will be permitted to continue working if you need additional time.

After 10 more minutes,

**SAY** Stop. Put your pencil down and close your test and answer book. Raise your hand if you would like additional time to work. Please sit quietly and do not continue working at this time.

If you have finished working, I will collect your test and answer book now.
Collect test materials.

Based on instructions from your school assessment coordinator, either dismiss students who have finished, or move students who require additional time to an alternate testing location. If students are moved to a new location, create a new seating chart for that location, and ensure that students using extra time are allowed the correct amount of time to complete the test. **Students who need additional time after 160 minutes may continue working; however, testing must be completed within the same school day.**

Display the new stopping time for students. Once students are ready to continue working,

<table>

<tbody>
<tr>
<td></td>
<td>Now, open your test and answer book and continue working.</td>
</tr>
</tbody>
</table>

At 10 minutes before the stopping time,

| SAY | You have 10 minutes to finish the test.                                                                                       |

After 10 more minutes,

| SAY | **Stop.** Put your pencil down and close your test and answer book.                                                            |

Collect test materials.

Complete the following steps:

1. Make sure that each student returns his or her test and answer book, and indicate on your required administration information that each book is returned. Also make sure that your testing room seating chart is accurate and complete.

2. Report any missing materials and/or test irregularities or security breaches to your school assessment coordinator immediately.

3. Ensure that the box at the upper left corner of the front cover has been completed by each student and that the information on the PreID label is accurate and complete.

4. Record the accommodations provided to students and the accommodations used by students on your required administration information. Use the following accommodations codes to record this information:

   **For ESE/504 students:**
   - 1-FP = Flexible Presentation
   - 1-FR = Flexible Responding
   - 1-FSC = Flexible Scheduling
   - 1-FSE = Flexible Setting
   - 1-AD = Assistive Devices

   **For ELL or recently exited ELL students:**
   - 2-FSC = Flexible Scheduling
   - 2-FSE = Flexible Setting
   - 2-AHL = Assistance in Heritage Language

5. Return all materials to your school assessment coordinator as described on page 133 of the Fall/Winter 2020 ELA Retake and EOC Manual.
Large Print
Test Administrator Instructions

These instructions serve as a guideline for administering paper-based assessments to students who use large print materials. These instructions should be used along with the paper-based test administration scripts on pages 2–78 of this document.

Note: Normal print font is 12pt Verdana. Large Print font is 18pt Verdana.

Assemble Large Print Materials

Your school assessment coordinator will provide the materials needed to administer tests to students using large print materials. Read the following information to ensure that you have all appropriate materials. If you are missing any materials or have questions about their use, contact your school assessment coordinator. See Test Administrator Responsibilities Before Testing on pages 27–34 of the Fall/Winter 2020 ELA Retake and EOC Manual for additional information.

Students using large print materials record their responses directly in the large print test and answer books. A regular print document is also included in each large print test materials kit. School/district personnel are responsible for transcribing student responses into the regular print test and answer book, applying a PreID label to the regular print document, and ensuring that all information on the front of each student’s regular print document has been filled in accurately. Large print test and answer books that are not transcribed into regular print documents with correct PreID labels will likely fall into late reporting.

Assemble the following test materials:

- **Test Administrator**
  - Required Administration Information
  - Sheet of Blank PreID Labels
  - Regular Print Test and Answer Books
  - Special Document Return Envelopes
  - Approved Regular Four-Function Calculator (FSA EOCs Session 2 and NGSSS Biology 1 only)

- **Student Test Materials**
  - Large Print Test and Answer Books
  - Large Print ELA Writing Planning Sheets (ELA Writing only)
  - Large Print *Periodic Table of the Elements* (NGSSS Biology 1 only)
  - Approved Scientific Calculators, including large display/talking calculators (FSA EOCs Session 2 only)
  - Approved four-function calculators, including large display/talking calculators (Biology 1 EOC only)

Large Print Scripts

You will use the test administration scripts on pages 2–78 of this document to administer EOC assessments to students using large print materials. **No modifications to the test administration scripts are necessary to administer large print tests.**
Prepare Student Large Print Documents

To ensure that each student’s test documents are processed correctly, ensure that the student name, date of birth, school name, district name, and today’s date are written on the front cover of the large print test and answer book.

On-Demand PreID Labels must be applied and all information on the front of each student’s regular print document must be filled in accurately and completely. For information about PreID labels, see pages 21–22 of the Fall/Winter 2020 ELA Retake and EOC Manual.

Distribute Large Print Materials

Refer to the information on pages 159–160 of the Fall/Winter 2020 ELA Retake and EOC Manual and to the Test Administrator Responsibilities Before Testing section on pages 27–34 of the Fall/Winter 2020 ELA Retake and EOC Manual to ensure that you have all necessary materials.

Transcribe Large Print Student Responses

Students using large print materials will record their responses directly in the large print test and answer book. School/district personnel must transcribe the student’s responses from the large print test and answer book into the regular print document included in the student’s return envelope using a number 2 pencil. It is recommended that one school/district staff member transcribes the student’s responses into the regular print document and another staff member reviews the transcription to ensure accuracy. School/district personnel are responsible for applying a PreID label and ensuring that all information on the front of each student’s regular print document has been filled in accurately and completely before placing it in the student’s Special Document Return Envelope.

Flexible responding accommodations should be provided as necessary to eligible students using large print materials to ensure that student responses are recorded correctly. If a student using large print materials provides verbal or signed responses, you will record the student’s responses in the student’s regular print document. Include the student’s large print test materials and the regular print document containing his or her responses in the student’s Special Document Return Envelope(s).

If a student is using multiple learning media (e.g., a student uses braille materials and records his or her responses in a large print test and answer book), make sure that all of the student’s responses are in one document type. Place the TO BE SCORED document containing the student’s responses in the student’s Special Document Return Envelope(s) according to the return instructions for that document type.

See pages 155–156 of the Fall/Winter 2020 ELA Retake and EOC Manual for additional information on flexible responding accommodations.

Return Large Print Materials

Complete the following steps after testing:

1. Verify that you have collected all required administration information (see pages 28–29 of the Fall/Winter 2020 ELA Retake and EOC Manual). Make a copy for your files. Notify the school assessment coordinator immediately if any secure test materials are missing.
2. Ensure that the accommodations provided to each student and the accommodations used by each student have been recorded with other required administration information. For each student who tested using large print materials, ensure that flexible presentation, flexible responding, and any other category of accommodations used during the test are recorded.

3. Verify that your Security Log and seating chart have been completed correctly. Make copies for your files.

4. Remove stray large print periodic tables from the test materials.

5. Ensure that the student name, date of birth, school name, district name, and today’s date are written in the box on the front cover of each student’s large print test and answer book.

6. Ensure that an On-Demand PreID Label has been applied and all information on the front of each student’s regular print document has been filled in accurately and completely.

7. Ensure that each student’s responses have been transcribed from the large print test and answer book into the student’s regular print test and answer book.

8. If a test is TO BE SCORED, verify that the DNS bubble has not been gridded. If a DNS bubble is gridded by mistake, erase it completely and grid the UNDO bubble. If a test is NOT TO BE SCORED, verify that the DNS bubble has been gridded.

9. Place each student’s test materials (e.g., large print test and answer book, regular print document) in the Special Document Return Envelope. Do not place materials for more than one student in the same envelope. Do not seal the envelope(s).

10. Complete a Special Document Return Envelope for each student according to the instructions on the envelope. Use the space on the envelope marked “Student Envelope __ of __” to number each student’s envelope 1 of n, 2 of n, etc., where n is the total number of envelopes for that student.

11. Return the completed Special Document Return Envelopes and all other materials to your school assessment coordinator.
One-Item-Per-Page Test Administrator Instructions

These instructions serve as a guideline for administering paper-based assessments to students who use one-item-per-page materials. These instructions should be used along with the paper-based test administration scripts on pages 2–78 of this document.

Assemble One-Item-Per-Page Materials

Your school assessment coordinator will provide the materials needed to administer tests to students using one-item-per-page materials. Read the following information to ensure that you have all appropriate materials. If you are missing any materials or have questions about their use, contact your school assessment coordinator. See Test Administrator Responsibilities Before Testing on pages 27–34 of the Fall/Winter 2020 ELA Retake and EOC Manual for additional information.

Students using one-item-per-page materials record their responses directly in the one-item-per-page test and answer books. A regular print document is also included in each one-item-per-page test materials kit. School/district personnel are responsible for transcribing student responses into the regular print test and answer book, applying a PreID label to the regular print document, and ensuring that all information on the front of each student’s regular print document has been filled in accurately.

One-item-per-page print test and answer books that are not transcribed into a regular print test and answer book with correct PreID labels will likely fall into late reporting.

Assemble the following test materials:

- **Test Administrator**
  - Required Administration Information
  - Sheet of Blank PreID Labels
  - Regular Print Test and Answer Books
  - Special Document Return Envelope
  - Approved Regular Four-Function Calculator (FSA EOCs Session 2 and NGSSS Biology 1 only)

- **Student Test Materials**
  - One-Item-Per-Page Test and Answer Books
  - ELA Writing Planning Sheets (ELA Writing only)
  - Reference Sheets (FSA EOCs only)
  - Periodic Table of the Elements (inside the one-item-per-page test book) (NGSSS Biology 1 only)
  - Approved Scientific Calculators, including large display/talking calculators (FSA EOCs Session 2 only)
  - Approved four-function calculators, including large display/talking calculators (Biology 1 EOC only)

One-Item-Per-Page Scripts

You will use the test administration scripts on pages 2–78 of this document to administer EOC assessments to students using one-item-per-page materials. Modifications to the test administration scripts should be made as specified on the following page. It is important that you review the scripts and modifications before testing begins.
• **Modification for Algebra 1 and Geometry**
  • Remove the mathematics reference sheet from the one-item-per-page test and answer book by opening the binder rings and instruct students to refer to the reference sheet at any time during the test.

• **Modification for Biology 1**
  • Remove the *Periodic Table of the Elements* from the one-item-per-page test and answer book by opening the binder rings and instruct students to refer to the periodic table at any time during the test.

• **Modification for All Subjects**
  • Instruct students to print their name, school name, and district name in the box on the title page of the one-item-per-page test and answer book. The box in the upper right corner of the title page must be completed by each student, and school/district personnel will be responsible for applying a PreID label and ensuring that all information on the front of each student’s regular print test and answer book has been filled in accurately and completely.
  • Omit instructions to grid the test group code. School staff should grid the appropriate test group code(s) on the front of each student’s regular print test and answer book.
  • Omit instructions to remove the seal. The one-item-per-page test and answer books do not contain seals.
  • Omit instructions to check pages in the one-item-per-page test and answer book (if all pages of the test document were checked prior to the test administration).
  • Refer to or distribute the appropriate page(s) to students as the remaining directions in the scripts are read aloud.

**Prepare Student One-Item-Per-Page Documents**

To ensure that each student’s test documents are processed correctly, ensure that the student name, school name, and district name are written on the title page of the one-item-per-page test and answer book.

On-Demand PreID Labels must be applied and all information on the front of each student’s regular print document must be filled in accurately and completely. For information about PreID labels, see pages 21–22 of the Fall/Winter 2020 ELA Retake and EOC Manual.

**Distribute One-Item-Per-Page Materials**

Refer to the information in the *Test Administrator Responsibilities Before Testing* section on pages 27–34 of the Fall/Winter 2020 ELA Retake and EOC Manual, as well as the information in the *Test Administrator Responsibilities During Testing* section on pages 35–38 of the Fall/Winter 2020 ELA Retake and EOC Manual, to ensure that you have all necessary materials.
Transcribe One-Item-Per-Page Student Responses

Students using one-item-per-page materials will record their responses directly in the one-item-per-page test and answer book. School/district personnel must transcribe the student’s responses from the one-item-per-page test and answer book into the regular print document included in the student’s return envelope using a number 2 pencil. It is recommended that one school/district staff member transcribes the student’s responses into the regular print document and another staff member reviews the transcription to ensure accuracy. School/district personnel must apply a PreID label and ensure that all information on the front of each student’s regular print document has been filled in accurately and completely, and transcribe the student’s responses into the regular print document before placing it in the student’s Special Document Return Envelope.

Flexible responding accommodations should be provided as necessary to eligible students using one-item-per-page materials to ensure that student responses are recorded clearly. If a student using one-item-per-page materials provides verbal or signed responses, you must record the student’s responses in the student’s regular print document. Include the student’s one-item-per-page test materials and the regular print test and answer book containing his or her responses in the student’s Special Document Return Envelope(s).

If a student is using multiple learning media (e.g., a student uses braille materials and records his or her responses in a one-item-per-page test and answer book), make sure that the student’s responses are in one document type. Place the TO BE SCORED document containing the student’s responses in the student’s Special Document Return Envelope(s) according to the return instructions for that document type.

See Appendix A in the Fall/Winter 2020 ELA Retake and EOC Manual for additional information on flexible responding accommodations.

Return One-Item-Per-Page Materials

Complete the following steps after testing:

1. Verify that you have collected all required administration information (see pages 28–29 of the Fall/Winter 2020 ELA Retake and EOC Manual). Make a copy for your files. Notify the school assessment coordinator immediately if any secure test materials are missing.

2. Ensure that the accommodations provided to each student and the accommodations used by each student have been recorded with other required administration information. For each student who tested using one-item-per-page materials, ensure that flexible presentation, flexible responding, and any other category of accommodations used during the test are recorded.

3. Verify that your Security Log and seating chart have been completed correctly. Make copies for your files.

4. Ensure that the student name, school name, and district name are written in the box on the title page of each student’s one-item-per-page test and answer book.

5. Ensure that an On-Demand PreID Label has been applied and all information on the front of each student’s regular print document has been filled in accurately and completely.

6. If a test is TO BE SCORED, verify that the DNS bubble has not been gridded. If a DNS bubble is gridded by mistake, erase it completely and grid the UNDO bubble. If a test is NOT TO BE SCORED, verify that the DNS bubble has been gridded.
7. Ensure that student responses have been transcribed from the one-item-per-page test and answer book into the student’s regular print document.

8. Place each student’s test materials (e.g., one-item-per-page test and answer book, regular print document) in the Special Document Return Envelope. **Do not place materials for more than one student in the same envelope.** Do not seal the envelope(s).

9. Complete the Special Document Return Envelope for each student according to the instructions on the envelope. Use the space on the envelope marked “Student Envelope __ of __” to number each student’s envelope 1 of n, 2 of n, etc., where n is the total number of envelopes for that student.

10. Return the completed Special Document Return Envelopes and all other materials to your school assessment coordinator.
Instructions for Oral Presentation Accommodations

Use the instructions and examples below and on the following pages when providing oral presentation of an assessment to eligible students who have the accommodation documented in an IEP or Section 504 Plan. Any portions of tests that may be read aloud may also be signed for students who require use of sign language. These rules are consistent with text-to-speech functionality for test items in computer-based tests.

Oral presentation may be provided for all directions, passages, test items, and answer choices in all EOC assessments. Test items and answer choices that are read aloud may not be reworded, summarized, or simplified. Charts, tables, illustrations, and graphs may also be read aloud to students with the oral presentation accommodation. The test administrator or proctor may describe the charts, tables, illustrations, graphs, etc., in a manner similar to that which the student would normally encounter in the classroom, but the test administrator or proctor must exercise care not to use inflection that might lead a student to the correct/incorrect response.

For a student to qualify for the unique accommodation that allows auditory presentation of ELA Writing and ELA Reading Passages, the student must be severely visually disabled and without tactile or manual abilities; the student may also qualify if he or she is newly blind and has not yet learned braille or the student’s disability severely limits his or her ability to learn braille. This unique accommodation must be submitted by the district assessment coordinator to FDOE for approval.

Note: For any portions of tests that may be read aloud or signed for students with disabilities, assistance in heritage language only (not oral presentation) may be provided for students identified as English Language Learners (ELLs) and recently exited ELLs.

Example:

Read the passage and then answer Numbers 14 through 16. There are four underlined words or phrases in the passage to show which word or phrase may be incorrect.

People often talk about the beauty of a sunset or sunrise. The Sun is able to inspire many feelings in people awe, wonder, and even delight. Some of the Sun's optical phenomena are so rare and mysterious that for centuries they were believed to have mystical associations. But knowing the scientific explanations for these natural light shows doesn't make them any less breathtaking.

Rainbows, among the most common optical effects, are caused by a process known as refraction. Refraction takes place when the Sun's light rays are bent, reflected, and split into an arc of color as they pass through drops of water in the atmosphere. This happens because light bends at different angles depending on its wavelength.

Other optical effects are rarer because they require more specific circumstances. One such phenomenon is variously called a parhelion, a mock sun, or referred to as a sundog. Sundogs are caused when flat, hexagonal ice crystals are present in the atmosphere. As the crystals move, light is refracted through the crystals to create a circular effect called a halo. If the crystals are being pushed in one direction by the wind, the light will be concentrated in spots on either side of the halo these bright spots are known as sundogs.

Mathematics Examples

For students with an oral presentation accommodation taking FSA EOCs, charts, tables, and graphs may be described to the students in a manner similar to that which the student would normally encounter in the classroom. If a student does not normally need charts, tables, and graphs described to them in the classroom, it would not be appropriate to describe them on the statewide assessments. The examples provided below and on the following pages are modeled from secure browser text-to-speech descriptions and are generally provided for students with visual impairments who may not be able to access graphics.

Example:

Max collected data on the height of each of his 20 classmates. The box plot shown represents his data. Click above the number line to complete the dot plot that could also represent these data.

The graphic should be described as follows: The box plot is titled “Height of Max’s Classmates.” The horizontal line is titled height, inches. The line has a range from 58 to 78 in increments of one. A box is drawn. The left side of the box is located at 62. The right side of the box is located at 70. A vertical line is drawn in the box located at 65. On the left side of the box a line is drawn connecting a point at 59 to the left side of the box. On the right side of the box a line is drawn connecting a point at 76 to the right side of the box.

The horizontal line under the dot plot is titled height, inches. The section of the number line ranges from 58 to 78 in increments of one. One dot is above 62. Two dots are above 65. Two dots are above 67. Two dots are above 70. One dot is above 71. One dot is above 73. One dot is above 74.
Example:

<table>

Directions for Returning Typed ELA Writing Responses

These instructions may be used to return typed responses for students taking a paper-based ELA Writing Assessment.

If a student taking a paper-based ELA Writing Assessment provides a typed response and the response will not be transcribed into the regular print test and answer book, follow the steps below and on the following page:

1. Ensure that a PreID label has been applied and all information on the front of the student’s regular print test and answer book has been filled in accurately and completely.

2. Print a copy of the student’s typed Writing response.

   FDOE recommends that the student response font size should be large enough, but not too large. 12–14 point font size is sufficient. The font should be clearly readable, such as Times New Roman or Arial. Normal default margins of 1” all around are recommended, as this will allow the document to be cut down to fit within the lines.

3. Write the test and answer book lithocode number on each page of the student’s typed Writing response. The lithocode is a stand-alone eight-digit number on the bottom right corner of the front cover of the regular print test and answer book. The security number located next to the barcode should not be used.
4. Cut out and tape the student’s response into the regular print test and answer book so that it fits within the lined boxes and does not cover the T-Marks. In order for the student’s response to be scanned, the typed pages must be trimmed to fit completely within the lined boxes. Only the writing that is inside the lined boxes will be scored. Be sure to tape the response securely into the test and answer book by applying tape to all four sides of each typed page. Tape can be placed over the text on the edges of the response, but the tape may not cover the T-Marks. Scotch tape is recommended. Do not tape the typed response into a student’s large print test and answer book.

5. Use a No. 2 pencil to write “Typed Response” above the lined box on each page in the regular print test and answer book that contains a part of the student’s typed response. Be sure to write directly above the lined box and away from the T-Marks in each of the corners. Writing that appears outside of the T-Marks will not be captured.

6. Return the regular print test and answer book containing the student’s typed response to your school assessment coordinator with all other TO BE SCORED materials.
